Thompson, Dixon win by big margin in state

JAMES JIMMY CARTER
Elected as President

ALAN J. DIXON
Secretary of state

By WILLIAM F. WINTER
Editor

"It's time for a change," voters decided Tuesday, but Illinois will continue to see its top office held by the party opposite to that of the President.

Replacing Democrat Daniel Walker as governor will be Republican James R. Thompson, racket-busting federal prosecutor who overwhelmed Secretary of State Michael J. Howlett (D) by a record margin. In 99 per cent of the precincts, Thompson leads 2,963,247 to 1,580,769.

Nationally, former Georgia Governor Jimmy Carter (D) won with 297 electoral votes in 23 states to 141 in 27 states for President Gerald R. Ford (R), occupant of the Oval Office since Republican Richard M. Nixon resigned the presidency in August 1974. Also elected was Sen. Walter Mondale (D), of Minnesota, for vice-president over Sen. Robert Dole (R) of Kansas.

The vote tally shows Mr. Carter ahead of Mr. Ford, a onetime Michigan congressman and House minority leader, 40,209,092 to 38,460,797 or 48 per cent.

Pres. Ford won in Illinois, however, 2,333,260 to 2,229,665 in 99 per cent of the polling places. Eugene J. McCarthy, an independent candidate for President, received 50,280 votes in Illinois.

McCarthy's candidacy apparently aided Mr. Ford in carrying Oregon, Iowa, Maine and Oklahoma.

Economic problems, including the unemployment level, are being cited as reasons for the national outcome, along with Watergate-era abuses of power by the Nixon administration. Pres. Ford pardoned Mr. Nixon.

Howlett carries Quad-Cities by narrow margin

By GARY SCHNEIDER
Press-Record Staff Writer

Although Quad-City area voters preferred Democrat Michael J. Howlett for governor in Tuesday's balloting, Republican James R. Thompson made a strong showing here on his way to being elected statewide.

With 28,072 votes cast by Quad-Cityans, Howlett collected 14,733 here and Thompson got 12,564. Failure by Howlett and the lieutenant governor nominee Neil Hartigan, to win big in Democratic areas, such as the Quad-Cities, contributed significantly to the loss to Thompson and his running mate, Dave O'Neal of Belleville, sheriff of St. Clair County.

Top vote-getters here were Cong. Melvin Price, State Senator Sam Vadala, and Circuit Clerk Willard V. Portell and Alan Dixon of Belleville, successful candidate for secretary of state.

There were 15,203 votes in tallies of the 32 precincts of Granite City Township. Nameoki Township voters cast 5,247 ballots in their 11 precincts, Venice Township had 4,480 votes cast in 11 precincts, and Chouteau Township voters at seven polling places cast 3,142 votes.

The voting for each candidate in Granite City, Nameoki, Venice and Chouteau Townships and the total Quad-City vote, in that order, follows.

President and vice-president: Jimmy Carter-Walter Mondale (D)—8,890; 3,228; 3,640; 2,005; total of 18,163. Gerald Ford-Robert Dole (R)—5,478; 1,909; 766; 1,072; total 9,225.

TRI-CITIES UNITED WAY PROGRESS is discussed by (left to right) President M. B. Melonski, C. W. McCullough and Bill H. Terrell, campaign chairman. The drive went over its goal yesterday. A former American Steel Foundries employee here, McCullough is now ASF manufacturing vice-president; he was the kickoff speaker here Sept. 23 and returned later to visit campaign activities.

Top drive goal

Another campaign victory was achieved yesterday by the Tri-Cities Area United Way—the fourth successive over-the-top yearly drive here.

Pledges reached \$476,270, exceeding the \$475,000 objective.

Additional contributions are being made and are being routed to the Tri-Cities United Way office at 2021 Edison Ave. (877-6780).

The total is expected to grow as the final cutoff date of Nov. 17 approaches, since not all drive contacts have been completed.

Funds will help finance the January-December 1977 operations of one member agencies that serve this community.

Bill H. Terrell, Franklin Life Insurance Co. district manager, is general chairman of the current United Way campaign.

Mitchell B. Milonski, works manager of the Granite City plant of American Steel Foundries, is president of the UW board of directors.

Of the \$467,200 receipts and pledges, \$112,461 is from non-industry sources, with considerably more believed likely to arrive in the next two weeks at the UW headquarters, and \$354,809 is from employees and corporations associated in the operation of Quad-City area industrial firms.

Non-industry division tallies at present include: business \$27,947, civic \$10,732, mail and telephone contacts \$14,196, professional \$13,362, construction \$12,672, commercial \$9,950, commercial division-II \$8,549 and Madison-Venice, \$5,949.

Manufacturers responded to this fall's drive by making new solicitations of workers foremen and executives, and many "breakthroughs" also were made in non-industry divisions.

"Establishment of a number of new payroll deduction programs has been helpful this fall and should be of even greater favorable impact on next year's Tri-Cities Area United Way drive," Terrell commented Wednesday.

Industry committee by the trades council to seek new industry and business for the area.

City elections will be held next April in Granite City, Venice, Madison and Pontoon Beach. All except Pontoon Beach will elect mayors.

Aldermen and village board members also will be elected in all four communities.

Schuler was elected mayor of Granite City in 1973, defeating the late Donald Partee. Prior to that he had served as alderman of the sixth ward since 1969.

The filing period for the city elections customarily opens during the latter part of December and continues through January.

Mayor seeks new term

Mayor Paul Schuler of Granite City announced Wednesday night that he will seek re-election to a new four-year term in the 1977 city elections in this area.

Schuler announced his candidacy in an appearance before the Tri-City Trades and Labor Council in the Labor Temple where he spoke concerning a plan to establish a new Labor-

Industry committee by the trades council to seek new industry and business for the area.

Phone franchise negotiations slow

Action on requests by the Illinois Bell Telephone Co. for two excavation permits necessary to the installation of new phone cables was held up by the Granite City Council Monday night in apparent dissatisfaction over negotiations with the telephone company for a new franchise.

The issue developed after the phone company asked the council Monday night for a permit to make two excavations for new cables across Richmond Avenue between Fair Oaks Drive and Terrace Lane.

Ronald Coleman, alderman of Ward Seven, moved that the council convene in the request, but Alderman Sam Whitmer of

Ward Two objected, noting that a special franchise committee appointed by Mayor Paul Schuler to negotiate a new franchise with the phone company "got absolutely nowhere" in its first meeting with phone company officials.

Whitmer, who serves on the franchise committee with Alderman Curt Elvins of the Fifth Ward and Alderman Emerald Dawes of the Seventh Ward, told the council that he believed that the telephone company should not be permitted to cut up the streets or do anything else until the city has a franchise agreement with the utility.

He said this also should apply

to an excavation permit requested by the phone company in the Oct. 26 council session in which the utility projected excavations for new cables on the south side of 16th Street east of the alley between Cleveland and Delmar avenues.

That application was referred in that meeting to the franchise committee for a recommendation. The committee made no recommendation on that request Monday.

On a motion by Alderman Gerald Parnley of the Sixth Ward, the council voted to refer the new excavation permit application as well as that submitted in the Oct. 26 meeting.

Hot line for handicapped

Handicapped persons in Illinois may now call collect to obtain help in dealing with problems unique to them.

A hot line assistance program, administered by the Governor's Committee on the Handicapped, has been established by Gov. Dan Walker.

General information, referral to other agencies, assistance in dealing with governmental bodies and assistance with problems such as access to transportation facilities and public buildings are some of the services to be offered to hot line callers.

"If a handicapped person feels his rights have been ignored by a governmental agency, his complaint will be investigated by our staff," said Rita Hull, program director.

The Governor's Committee on the Handicapped also wants people to serve themselves through this system.

"The department wants disabled persons to call and express their opinions or report problems for which there are no satisfactory answers," the director said. These reports will be documented and used to support recommendations for legislation and governmental policy changes affecting the handicapped.

The hot line number is 312-793-5000. Collect calls will be accepted from 9 a.m. to 5 p.m., Monday through Friday.

Coin phone conversion

Illinois Bell has begun converting coin phones with the telephone number prefix of 931 to dial tone first.

In announcing the conversion, Ken Evers, Illinois Bell manager of Granite City, said that many of the coin phones in the Granite City area already have this special feature, and the change will now give all Granite City coin phone user the most modern coin phone service available.

Evers said that dial tone first offers several advantages to the user.

"You hear dial tone before you deposit your money, so you know the phone is working, and if you don't have any change, you can call the operator who will place local calls for you," he said. "The operator can make this type of call 'collect,' or charge it to your home or business phone number—or to your credit card. Charges are somewhat higher for this type of user."

And most important, in cases of emergency the user can call the operator who will report a fire or call the police. The user does not have to worry about having the proper change, he added. Evers emphasized that these calls are free.

Republicans capture two more county board seats

Republicans doubled their membership on the 29-member Madison County Board in halloing Tuesday as two Democrats defeated Democratic incumbents to increase the Republican membership to four.

Democratic incumbent J. J.

"Doc" Gramlich of Highland was overthrown in the First District by Republican O. A. "Pat" Weindel of Highland with the unofficial vote being 2,227 for Weindel to 1,935 for Gramlich.

Republican Lawrence

Speelman of Troy collected

2,056 votes in the Second District to defeat Democratic incumbent Paul Richbold who had 1,606 votes, according to unofficial tallies.

The other Republicans on the board are Homer Henke of Moro who was unopposed in Tuesday's election for the Fourth District seat, and James R. Heil of Alton, a holdover member from Sixth District.

Other county board races outside of the Quad-City area had the following results Tuesday.

Third District—Jack Frandsen (D-incumbent), 2,173; Udeli Wehling (R), 1,855. Seventh District—William Little (D-inc.), 1,714; Earl Herrin (R), 860. Ninth District—R. H. Worthen (D), 2,123; Edwin Roller (R), 1,615.

Libby wins competition

Larry L. Libby has won the scholarship competition at Granite City High School North, according to Gilbert Walmsley, principal.

The contest at Granite City North was directed and supervised by Mrs. June Mills, a counselor at the high school. It was part of nationwide competition for \$116,500 in scholarships at the state and national levels.

The Century III Leaders scholarship program is administered by the National Association of Secondary School Principals and funded by Shell Oil Co.

Runnersup in the competition were Rod Hartzel and Ann Uram.

Graduating seniors' entries were judged on the basis of leadership potential, with emphasis on community and extracurricular activities, high scores on a current events exam, and writing viewpoints about America's needs and challenges for the future.

Libby now competes with other high school winners from around the state for two \$10,000 scholarships and an opportunity for the \$10,000 top national scholarship.

Two Illinois winners will receive an all-expense-paid trip to the second annual national leaders' meeting in Williamsburg, Va., in March 1977 to participate in seminars on current issues.

Dispute could spread—Tosh

The possibility of a strike here by Retail Clerks Local 435 expanding to some shopping centers was voiced this morning by Charles Tosh, president of the local, who said clerks at centers have taken a strike vote and are awaiting approval from the international union to strike.

Store Oct. 27 and under 15-store bargaining agreement, owners of 14 downtown stores locked members out until the strike at Earl's is settled.

Pickets were set up and the stores remain in operation.

Tosh said today that negotiations with some shopping centers, which are on different contracts, also have broken down. International union approval of a strike is possible, he added.

Tosh said he received recognition from the Tri-City Trades and Labor Council at a meeting last night for the downtown strike-lockout dispute.

Contracts between Local 435 and the 15 merchants expired Oct. 1. There have been no discussions between the local and stores since the dispute began.

Negotiations with some shopping center store owners continued through last week. An offer by owners was rejected when the strike vote was taken.

A merchant said today the downtown area has enough other competing problems that it cannot afford a contract that would differ markedly from those at other stores.

"The employees have a raise coming to them, and we are all in favor of that."

"But clerks will not benefit if stores are forced to close permanently or if their hours are cut because business volume is hampered by non-competitive conditions," he commented.

A spokesman for downtown merchants disagreed with Tosh's statement he is willing to meet with them, saying one

shampooing, combing, hair shaping and trimming. The relationship of a balanced diet and hair condition was stressed during the demonstration. From the left are Betty Lindsey, Donna Meyer, Sherry Staton and Darla Smith. Mrs. Decatur's model is Laura Chappell.

Store owners submitted the last proposal, which was turned down, and the union has not submitted a counter-offer, the group's spokesman said, adding that "we are willing to sit down at any time, but we have not been contacted by the heads of the union."

Elks 'Family Night' Friday
"Family Night" will take place Friday at Granite City Elks Lodge 1063 for lodge members and friends. It was announced at Tuesday night's meeting of the Elks.

Games were played and gifts were awarded to Mesdames Marcia Buenger, Marge Hilker, Kathryn Pomeroy, Bernice Grzesk, Catherine Michel, Phyllis Grimm, Elmina Trachsel, Ruth Bishop, Lydia Duggan and Bess Weiss.

A Christmas party was arranged in conjunction with the Elks' next regular meeting Tuesday, Dec. 7.

During the social hour refreshments were served from tables decorated in colors and

appointments appropriate to the Thanksgiving season. Mrs. Dean Graf, Mrs. Catherine Worthen, Mrs. Karmyn Edmonds and Mrs. Ilene Trutschel were the hostesses.

The group reviewed plans for a fund-raising "boutique" project, scheduling the event for 2 p.m. Sunday, Nov. 14, at the Elks club. Friends may be invited, Mrs. Mercer said.

The rush season also included a cocktail party held on Oct. 17 at Mrs. Dorothy Bergrath's home.

The next meeting will be Tuesday, Nov. 9th at Miss Hinson's home. Mrs. Dorothy Bergrath, vice-president, is in charge of the rush season and planned the above activities along with the President Mrs. Norma Hillmer.

Attending this affair were, Mesdames Dorothy Bergrath, Eunice Whitsell, Sally Pasley, Norma Hillmer, Jane Modrusic, Frances Cowley, Margaret Nann, Debra Miskelley, and two special guests from Valmeier, Ill. Mrs. Donna Mueller and her mother-in-law Mrs. Alice Mueller, and Miss Hinson.

New election faces; numbers about the same

The faces are different in many cases, after Tuesday's general election, but nationally the political arithmetic adds up about the same as before.

Democrats increased their advantage in governorships by one and now have 37 to 12 Republicans and one independent.

Democrats will retain their 62-38 majority in the U.S. Senate but there will be 19 new faces among the 100. There is a change of party in 14 seats, and four Democrats and four Republicans lost re-election attempts.

In Congress, Democrats may add one or two to their current 290-145 edge over the Republicans.

Illinois, however, instead of a 13-11 Democratic Congressional edge will have either a 12-12 standoff or a 13-11 Republican advantage.

Attending this affair were, Mesdames Dorothy Bergrath, Eunice Whitsell, Sally Pasley, Norma Hillmer, Jane Modrusic, Frances Cowley, Margaret Nann, Debra Miskelley, and two special guests from Valmeier, Ill. Mrs. Donna Mueller and her mother-in-law Mrs. Alice Mueller, and Miss Hinson.

DRIVER IS INJURED
Fred Putall, 84, of 2941 Iowa St., was injured in an auto accident during the weekend and was admitted to St. Elizabeth Hospital with pain to his head, abrasions to his upper back and hematoma to his left knee.

FURNITURE TAKEN
Dorothy Toth, 2640 Missouri Ave., told authorities during the weekend that furniture valued at \$1,500, which she was storing in a mobile home at Rural Route One, Granite City, had been stolen.

PRY DOOR OPEN
About \$63 cash was stolen from a box on a lamp stand in the home of Alice Long, 2037a Illinois Ave., between Sunday morning and 5:30 p.m. Monday. A screwdriver was believed used to force open the door.

Jason heads E. St. Louis SIUE center

Emil P. Jason, assistant vice-president for special programs and minority affairs at Southern Illinois University at Edwardsville, has been named to also serve as acting director of the university's East St. Louis Center.

Earl Larson, acting vice-president and provost, said the additional assignment, which was effective Monday, is subject to approval by the SIUE Board of Trustees.

Arthur Grist, former director of the East St. Louis Center, has been reassigned to the Office of the Acting President. Grist had served as director of the center since April 1970.

Jason said no immediate changes in the operation of the East St. Louis Center are contemplated.

An information report concerning East St. Louis programs and activities was submitted to the Board of Trustees in October and currently is under review by university administrative officers.

The report, prepared by the Offices of the Vice-President and Provost, Vice-President for Business Affairs and Vice-President for Student Affairs, concluded that a first priority for the incoming president of SIUE should be the determination of the future mission of the university in East St. Louis.

Jason, a professor of chemistry in the School of Science and Technology, was named assistant vice-president for special programs and minority affairs, in the Office of the Vice-President and Provost, in August 1971. A native of Edwardsville, he has been associated with the university since 1965.

Heaviest rain of any month during October

The heaviest rainfall of any single month so far this year was recorded in the Quad-City area during October following the steady rain Friday and Saturday nights which added 96 of an inch precipitation to that recorded earlier in the month.

Rain gauges at the Chicago Rock Locks registered 70 of an inch of rain Friday night and early Saturday morning, and another 25 of an inch through Saturday.

This 95 of an inch of rain brought to 5.92 inches the total fall during the 31 days of October, ending Sunday. This is 1.06 inches over the normal October precipitation, and is only the second time this year that a monthly rainfall has exceeded the normal for that month.

The other above-normal precipitation was during March when 2.68 inches of rain was recorded, or 35 of an inch above normal of 2.34 inches.

October precipitation brought to 16.78 inches the total fall in the Quad-Cities during the ten months of the year, or 13.13 inches below the normal of 29.91 inches for that period.

Other rainfall was recorded during October on Oct. 1, 1.3 inches; Oct. 20, 22 of an inch; Oct. 23, 30 of an inch; Oct. 24, 1.15 inches, and the weekend fall of 70 of an inch on Friday and 25 of an inch on Saturday.

\$1,694 burglary

Items totaling \$1,694 were taken from the home of Ted Kuberski, 2013 Mockingbird Lane, after entry was gained by prying a garage door. It was reported last week to the Madison County Sheriff's office.

Reported taken were a stereo, a color television, four speakers, jewelry, a citizen band radio, an adding machine, a man's watch, a man and a woman's diamond rings and a tape player.

Crime Blocker sessions

GIFT OF \$4,200 is presented to Paul Stoicheff of Granite City, right, by Dave Huffatutter, manager of Tri-City Grocery at Bellemeade Village Shopping Center in a store program. Tri-City has presented a total of \$43,300 in such gifts.

A series of Crime Blocker programs has been scheduled during November. It was announced today by Rotarian George Moore, chairman of the program for the Granite City Rotary Club.

All programs will be held from 7 p.m. until 9 p.m. and are scheduled on the following dates:

Tuesday, Nov. 9, Prather Junior High School; Monday, Nov. 22, Coolidge Junior High School; Tuesday, Nov. 23, Salvation Army building; and Thursday, Dec. 2, Elks building.

Although the programs are open to the public, according to Moore, members of the Granite City Rotary Club are asking particular groups to attend.

The month of November is "Crime Blocker" month as the Granite City and Madison Rotary clubs join forces to

promote the Crime Blocker program in the Quad-Cities. November has been chosen because late November and December are the times of the year with the highest crime rate in home burglaries due to the holiday season.

The Crime Blocker program is designed to help concerned citizens know what to look for and how to properly identify and report crimes, particularly burglaries.

Granite City Police Officer Glenn Wright, in cooperation with area police departments, is serving as the Quad-Cities coordinator of the program.

A citizen properly oriented, who reports a crime, rarely needs to go to court as the police get accurate and quick information and in most cases are able to apprehend the criminal or prevent the crime, according

to Officer Wright. John Richard Hooks, a member of the Madison-Venice club and counselor at the Madison Coordinated Youth office, is chairman of the Crime Blocker program in the M-V area.

Church groups, Parent-Teachers Association, civic organizations or any adult group wishing to participate in the Crime Blocker program are being asked to contact Officer Wright at 451-9766 or Hooks at 676-9400.

In other areas of the country where people have become associated with the Crime Blocker program a reduction as high as 33 per cent in home burglaries has occurred.

MODERN EQUIPMENT recently installed in the radio room of the Granite City Police Department includes this double tape-recording system which records all emergency telephone calls and communications on the police radio channel, noting each entry with the time. One tape can not be stopped or reversed, while the other can be used by the police to verify addresses or messages received either on the police radio or on the phone. The system monitors only the 877-6111 telephone number. In this view are Lt. Leo Padgett, standing, and Tim Lyster, dispatcher, on the telephone.

Amvets hear veterans' service officer speak

About 60 Amvet and Auxiliary members representing Amvet posts in Division 5 attended a quarterly meeting this week at Amvet Post 51, located at 5100 Lakeview Drive.

Among the special guests was William H. Scott, assistant director of Volunteer Services at John Cochran Veterans Hospital, St. Louis.

Scott, who was the principal speaker, reported a ground-breaking ceremony for a new non-denominational chapel will take place Sunday, Nov. 28, at Jefferson Baracks Veterans Hospital.

He invited all Amvet members to attend the ceremony and also reviewed objectives of the volunteer program to aid the hospitalized veterans.

Kenneth Hall of Mount Vernon Post 4, Division 5 commander, presided and introduced other distinguished guests including Harlan Keppel of Springfield, Illinois Amvets senior vice-commander; Thurman Sheppard, Veterans Administration Volunteer Services (VAVS) representative at John Cochran Veterans Hospital; Don Russell, Mount Vernon, Division 5 representative; Leo Clements, Post 51 commander; and Lester Davis of Mount

Vernon, 15th District commander.

Immediately following the business meeting and speaking, members of Amvet Auxiliary Unit 51 served a buffet dinner to the guests and a social hour was enjoyed.

The next meeting of Division 5 will take place Jan. 9, 1977, at 2 p.m. at Madison Amvet Post 204, Hall announced.

College night today at South

College Night for both Granite City High School North and South will begin today at 7 p.m. at South.

After a short musical program in the auditorium, featuring both high schools, parents and students may choose the college programs of their choice and attend half-hour presentations with at least three different college representatives.

Admissions officers of public and private colleges attend College Night to inform students and parents of their programs.

Name three on weapons charge

Three persons were arrested and charged with unlawful use of weapons last week when Granite City authorities stopped an auto at Nidderinghaus Avenue and Chestnut Street matching a description of one allegedly involved earlier in a hit-and-run accident in Madison.

The three occupants of the auto charged were Robert C. Mehning, 24, of Fairview Heights, the driver, and Johnny L. Klawon, 23, of Fairview Heights, and Stanley J. Koleson, 24, of East St. Louis, both passengers.

Police noted that a man stopped a policeman and described the hit-and-run accident and provided a description of the vehicle.

Later an auto matching the description was observed with three persons inside on 19th Street at the railroad tracks and followed it to where it was halted.

Inside the auto were several empty beer bottles, a .38 caliber pistol and a high-powered rifle, police reported.

CUTS EYELID

Donald Clements, 20, of 2143 Benton St., was admitted to St. Elizabeth Hospital early this week with a cut to his right eyelid in an auto accident.

Family Services enlisting emergency foster parents

The Illinois Department of Children and Family Services currently has openings for emergency foster parents to provide short-term care for children and adolescents up to 18 in Madison and St. Clair Counties.

Emergency foster parents keep children from one to 30 days until either a longer-term resource is located or the children return to their own homes.

"Our emergency homes are our front line" according to Tom Kircher, resource development supervisor for this

area. "They're asked to accept neglected and abused kids directly from the natural home."

"Many times we know very little about children who have been removed from their homes, and we ask our emergency foster parents to provide a resource for these kids and help us plan for them," Kircher said.

Emergency homes are expected to accept children on a 24-hour basis. Generally, the children's parents will not know where they have been placed, but are allowed to visit them in one of the department's five field offices in Madison and St. Clair Counties.

Emergency foster parents are paid up to \$150 per month per child to cover board and other expenses and are paid \$100 per month for each

emergency space in their home even if the space is empty. Children's medical and dental expenses are paid separately. Emergency foster parents must be licensed by the state and are provided training and support by department staff.

"Emergency foster homes are especially needed in Collinsville, Belleville and the Washington Park-St. Louis area," according to Kircher.

Anyone interested in obtaining more information about the Department's emergency foster homes program may call one of the department field offices: Belleville, 277-2000; Washington Park, 875-1717; Granite City, 875-8865.

U.S. Sixth Fleet. His command joined with naval forces from Portugal, Italy, Turkey and the United Kingdom for the combined exercise which included amphibious assault landings and anti-submarine warfare maneuvers. The primary objective of the exercise was to train NATO naval forces in combined sea operations, to refine NATO procedures, and ensure that operational plans were current.

FOREST RANGERS and "young ladies from Eastchester finishing school" are part of the chorus in the Masquers production of "Little Mary Sunshine." From left, Diane Lewis, Dave Causey, Jeanne Pieper, Mark Stephens, Kathy French, Dennis Harbison, Marlene

Starnes, Dave Dawson, Kelly Cottrell and Ed Hesseldenz. The play will be presented Saturday and Sunday at the BAC Miners Theater in Collinsville at 8:15 p.m., and at Granite City High School South Auditorium Saturday, Nov. 13.

'Little Mary Sunshine' produced by Masquers

Annette Tarpoff of Granite City will be featured in a key role in the musical comedy "Little Mary Sunshine," to be produced by The Masquers, Inc. under the direction of Jim Swanick of Collinsville, with Margaret Pennell of Granite City as choreographer.

Several Granite City residents appear in the chorus and in key positions on the production staff.

"Little Mary Sunshine" will be presented Saturday and Sunday at the BAC Miners Theater in Collinsville and Saturday, Nov. 13, at the Granite City South High School auditorium.

Certain time is 8:15 p.m. for all performances. Annette Tarpoff plays the retired opera singer, Madame

Ernestine von Liebedich, one of the comic lead roles in "Little Mary Sunshine." Annette has been a frequent actress in Masquers productions. She was seen in multiple roles in "Bye Bye Birdie," as the Queen of Hearts in "Alice in Wonderland," and as the matchmaker, Yenta, in "Fiddler on the Roof."

She was the assistant director for last year's production of "South Pacific." She is a

second-year theater major at SIU at Edwardsville, where she has performed in productions of "Volpone" and "Under Milkwood."

Metric workshop held

A metric workshop was held on Institute Day last week at Harris School for all teacher's aids and cooks in the Madison School District. It was the first of a series of metric workshops sponsored by the SIUE Teacher Corps in Madison.

The instruction for the workshop was provided by the four interns in the Teacher Corps program. The interns work in the schools and community and presently are located at Louis Baer, Blair, and Harris schools.

The instructional format of the workshop was set up by the

interns and their supervisor, Sarah Pope, and included such teaching methods as a contest making a tablecloth out of newspapers and measuring it by metric to see who had the largest, making a 10x10x10 cm square box from brown wrapping paper, and weighing themselves in kilograms.

Thirty-one aids and cooks attended the workshop. Additional workshops are scheduled for November for various organizations including the Silver Belts, Madison Mothers Club, Happy Bunch, and Parents Club. The Madison Mothers Club workshops will be held at 7:30 p.m. at Harris School on four consecutive Mondays starting Nov. 15. The club has invited the public to attend. More information about dates and locations, may be obtained by calling the Teacher Corps Office at 677-6964.

Rites held for former resident

Funeral services were conducted Oct. 27 at St. Mary's Church, Bloomington, Ill., for James J. Honness, 72, of 121 Meadow Brook Drive, Bloomington, formerly of the Quad Cities.

He died Oct. 25 of an apparent heart attack while attending an antique auction in Sullivan, Ill., according to a local relative.

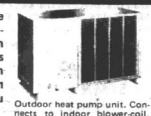

Mr. Honness was born in Venice and resided in this area until 1941 when he moved to Bloomington.

He was a member of St. Mark's Catholic Church in Venice and was employed as superintendent of the mechanical department of the GMAO Railroad until he retired in 1972.

Survivors include his wife, Mrs. Lucille (Hales) Honness; one daughter Mrs. Charles (Lina) Payne and one son, James "Pat" Honness, both of Bloomington, and two granddaughters.

Altar Society yule bazaar set

The ninth annual Christmas bazaar, sponsored by the Altar Society of St. Elizabeth Catholic Church will feature 16 booths offering a wide assortment of handcrafted work and home baked items at the school cafeteria on Saturday and Sunday, Nov. 13 and 14.

Mrs. Frances Hartman, Mrs. Janet DeRousse and Mrs. Jan Polach, general co-chairmen announce the fund-raising project will begin at 10 a.m. on Saturday and 9 a.m. Sunday and is open to the public. Most of the dinner will be served from 11 a.m. to 7 p.m. on Saturday, costing \$2.25 for adults and \$1.25 for children and a turkey or beef dinner is planned for Sunday, costing \$3 for adults and \$1.50 for children. Carry out orders will be available on both days according to the chairman.

There will be many booths selling handmade quilts, afghans, handiwork, homemade preserves, a large variety of candies, home canned fruits and vegetables. An "Attreasure" booth will exhibit many unusual objects including an antique wheelbarrow and stroller. The chairman also reported a Bicentennial cookbook composed of various recipes provided by the ladies of the altar society will be available

and a state handmade quilt will be the main attraction of the Bicentennial objects. Booths of special interest to children will include the fish pond, bean bag toss, a doll booth showing an array of hand made dolls, a boys booth and doll house.

The religious booth will have handmade ceramic nativity sets and a ceramic Christmas tree as well as many other yuletide ceramic decorations. A special plant booth with over 300 various plants will be included in this year's project and the CVO group will be selling light bulbs and candles during the two day event.

A six-week church membership class will start at 7:30 p.m. Sunday at Madison United Methodist Church, Fifth Street and Ewing Avenue, Madison. The Rev. Edward K. Weston, pastor, said the series of classes, to be held each Sunday through Dec. 12, is directed to those seeking church membership and current members wishing to review their faith.

Rotary Anns tour Ste. Genevieve

The Rotary Anns Club discussed plans for a Christmas party to be held on Dec. 7 in the home of Mrs. Cathy Lombardi, during a bus trip to Ste. Genevieve, Mo., last week.

Mrs. Linda Bristol, president, presided at the session aboard the Big Mac bus, enroute to the scenic area of the all day tour.

Members had lunch at the cafe in the Old Hotel and visited old homes in the Ste. Genevieve area and antique shops. Others attending were Evelyn Ackerman, Emily Thebaud, Betty Mathias, Belva Edwards, Mary Wilkins, Billie Schuler, Dorothy Kerch, Lois Hassler, June Van Horn, Cathy Lombardi, Marie Ditzner, Gail Miller, Lois Winter and to Ann Terrell and guests Karmin Edmonds, Versa Malahan and Millie Pauley.

Each session will begin with singing, prayer and fellowship. The public is invited to attend and may contact the Rev. Weston at 876-3555 for further details.

A tentative schedule of subjects includes: Introduction and Church History, Nov. 7; Brief Survey of the Bible, Nov. 14; Methodist History and Polity, Nov. 21; Major Methodist Beliefs, Nov. 28; Christian Social Concerns, Dec. 5; and Church Membership (5 to 6 p.m.), Dec. 12.

Those wishing to join the church will be received into membership on Christmas Sunday, Dec. 19, or at another date during a morning worship service, the Rev. Weston said.

Grace Baptist revival opens

The fall revival of Grace Baptist Church, 2000 Edwards St., will begin at 7 p.m. Sunday and continue through Sunday, Nov. 14, according to Dr. Jack Fritts, host pastor.

A former minister of the church, the Rev. Louis Brinker will be the evangelist and a former music director, Ron Joyce, will provide special selections. Both men are associated with the Bellevue Baptist Church, Paducah, Ky., at the present time.

The church choir and guest singers from area churches will also be included in the nightly services to be held at 7:30 p.m., after the initial service.

Pack 122 holds first meeting

Gary Uhrhan, Donald Stevanus and Mike Brown were in charge of the opening flag ceremony of the first meeting of Pack 122 of Wilson School, held last week.

Cubmaster Jim Wilson welcomed the parents and scouts and introduced two new den leaders, Mrs. Jeannie Dawson of Den One and Mrs. Joan Houston, Den Three. Also present was Boy Scout Tony Allen who is the den chief for Den Two.

The pack will participate in the council wide fund raising project "Fund-a-popcorn" with each scout to sell the popcorn in packets for \$1.25 a box, the cubmaster announced.

Frank Woods presented the Lincoln Pilgrimage banner to the pack for their summer events.

Bobcat badges were awarded to Mike Brown, Greg Higgins, Steve Houston, Taylor Schultz, Duane Dawson and David Dawdy. Wolf badges to Frank Woods with a gold and three silver arrows, James Wilson with a gold arrow, Donald Stevanus, Mike Reyes, Donald Gilder with gold arrow and three silver arrows, Gary Uhrhan; Bear badge and gold arrow to Mike Geske.

Cubmaster Wilson announced future trips to be taken by the dens include a visit to the pumpkin farm, police station and fire station.

The meeting closed with the cub scout promise and refreshments were served by Den Two. Parents then viewed various displays including Halloween items made at den meetings and several collections prepared by the cub scouts, as a hobby.

Student panels offer learning experience

The enthusiasm and quality of questions asked by eighth grade students were very impressive, according to James Corbett, who was interviewed about his job and career experiences by a panel of pupils.

Corbett, an electrician at Granite City Steel, was the volunteer guest during a recent student interview at Prather Junior High School.

The interview is the basis of an experimental career education program being conducted in the second hour language arts class of Mrs. Carol Hildebrand.

An opportunity to structure their own learning experience and exposure to real life situations are afforded the

students through the program. It was explained.

Teachers, on the other hand, can utilize their experience to teach note-taking, courtesy, discussion techniques, letter writing and other skills their classes need, it was pointed out.

From the reception of this and other interviews it is hoped the program will be expanded to other classes and other teachers, a Prather JHS spokesman commented.

The interview was videotaped to enable faculty members to see the program in action.

Volunteers are being sought within the community from various occupations, who are willing to be interviewed by a panel of students about their career development.

The guests will be provided a list of possible questions the panel may ask and advised of the educational objectives to be obtained through the interview. An interview usually takes about 30 minutes, the spokesman said.

Interested citizens wishing to offer their time to be interviewed are being invited to call John Haug, guidance counselor, at 876-8656.

Services Friday for Joseph Walker, 73

Funeral services will be held at 8 p.m. Friday at the Friendship Baptist Church, Madison, for Joseph "Joe R.C." Walker, 73, of 516 Mercedia St., Venice. He died on Friday, Oct. 29, at St. Elizabeth Hospital. Mr. Walker was a retired employee of General Steel Industries. Survivors include a sister, Mrs. Alberta Mason of Madison.

Girl Scouts tour Jefferson Memorial

In lieu of their regular meeting last week, Junior Girl Scout Troop 566 of Wilson School, toured the Jefferson Memorial in St. Louis. Mrs. Linda McGee, troop leader, had prepared informational guides for each girl and directed the tour.

Scouts participating were Lisa Fowler, Lisa Stucker, Tammy SanSoucie, Kathy McGee, Debbie Dodd, Karen Hursey, Lisa Bain, Michelle Morgan, Stephanie Dill and Bryana Waggoner, and guests Kelly and Timmy McGee, Jimmy Dodd, and Becky SanSoucie.

Chaperoning the tour with Mrs. McGee was co-leader Mrs. Barbara SanSoucie assisted by Mrs. Hursey and Mrs. Louise Dodd.

Steeler finale —Matton here

GCIS North's football team will wrap up its 1976 gridiron season tomorrow night, hosting the Green Wave Matton in an eight o'clock contest at the Granite City Stadium on Felling Road.

A Steeler win over Matton would improve North's present 6-2 record and would even the wins at two apiece between the two schools.

Matton defeated North 26-19 in 1975 at Matton and then lost 27-20 the following year here in a crucial contest that launched North into the state playoffs.

Last year, Matton again hosted North, winning 24-20. A member of the Big 12 Conference, Matton enters tomorrow's game with a 4-4 record.

Matton opened the season with victories over non-conference schools, MacArthur of Decatur 8-6 and Paris 22-6. The Green Wave has since played six straight conference games, losing 22-16 to Champagne Central and 22-14 to Danville, winning 40-24 over Lincoln, losing 47-6 to Springfield High, winning 38-13 over Urbana and losing 22-6 last weekend to Stephen Decatur.

A ground-oriented team headed by Coach Phil Bess, Matton has been plagued by injuries that have sidelined seven starters.

"We still have Dave Body health, though," says Bess. Body is averaging 4.5 yards per carry. He has gained 650 yards rushing and has scored five touchdowns thus far. In the backfield with him is Junior Rick Miller.

Calling signals in Scott Brown, a senior, who has for protection two 190-pound tackles, two 188-pound guards and a 165-pound center.

Most of Matton's injured players comprised the defensive line, forcing the coach to use relatively inexperienced juniors and a sophomore.

The defensive unit will seek to thwart GCIS North's Fred Clay in his bid to possibly attain 900 yards rushing or more for the season.

Clay, a senior, has 770 yards and nine TD's to his credit. In North's 49-14 win over Wood River this season, he rushed for 237 yards and tallied four TD's.

The Steelers have not allowed opposing teams many points, outscoring them 127-48. Five of Clay's teammates have helped to account for North's scoring—Quarterback Greg Corey with one TD, three field goals and numerous point-after-TD kicks, including six one-point kicks against Wood River; Joe O'Gara and Keith Atkins, with two TDs each; and Bruce Wright and Mike Sherman, one TD apiece.

North has gained 1,571 yards on ground plays and 633 yards on passes in the final game of the season. The Steelers will determine a entry into tomorrow's Illinois High School Association sectional title game against host Edwardsville.

Edwardsville advanced with a win last night over Mascoutah.

The victor in Friday's 3:30 title contest advances to the state meet Nov. 11, 12 and 13 at New Trier East High School in Winnetka.

Soccer Warriors in title game on Saturday; Kahoks eliminate Steelers

Coach Gene Baker's Warrior soccer club will play Collinsville's Kahoks at 2 p.m. Saturday in the final game of the Illinois High School Association sectional competition, with the victor advancing to the state finals Nov. 12 and 13 at Maine East High School, Park Ridge.

GCIS North lost its bid for a role in the sectional title game last night, losing 2-1 to Collinsville in a semifinal contest.

GCIS North advanced with a 2-1 overtime win over Quincy Notre Dame on Tuesday.

South has beaten Collinsville 1-0 and 3-2 this season.

Last night's loss by North concluded the 1976 season for Coach Robert Kehoe's Steelers.

With a sparkling 14-4 record, Collinsville opened the scoring with a goal by Rick Bohentel on a pass from Marty Mestmacher from 30 yards away with 40:40 left in the second quarter.

The Kahoks increased their lead to 2-0 with 5:45 remaining in the third quarter when Tom Fitzgerald booted the ball past Steele goalie Mike Hill during a scramble for a loose ball in front of North's net.

North got on the scoreboard with 13 minutes to play in the final quarter following a cornerkick by Bob Bates.

Bates' kick was received by Jeff DeMott at the far side of the net. DeMott's attempt to score was knocked down by Kahok goalkeeper Bill Swip but then the ball was deflected into the net off the foot of Steeler Kevin Hayes.

Kehoe said North had been hopeful of forcing the contest into overtime late in the fourth quarter when a shot by Eric Painter appeared to be headed into the net. But a Kahok player deflected it with his leg just as it reached the mouth of the goal.

North attempted 10 shots-on-goal and Collinsville five.

Hill stopped two scoring attempts and Swip five. Fouls were: North 18, Collinsville 24.

The Steelers executed three cornerkicks and the Kahoks eight.

Quincy's Don Schwartz put his club on top 1-0 against South on Tuesday with 15:22 left in the opening quarter, utilizing a head shot into the net.

Warrior David Goldschmidt gained his 31st goal of the season with 7:58 remaining in the first period to deadlock the game on a 14-yard kick into the left corner of the net, following a pass from Mark Spireff.

South seeking winning season

GCIS South's Warriors and Pattonville's Pirates of Missouri clash on the Pattonville gridiron at 2 p.m. Saturday in a first-ever confrontation between the two schools.

The contest is viewed as crucial, since the victor will enter the 1976 season with a winning record. Both schools are 4-4.

Coach Charles Linn's Pattonville team is a member of the Suburban North Conference and is struggling for the first time since 1973, when the Pirates had a 4-5 record. In 1974, the Pirates had a 7-3 mark and last year they were 6-3-1.

Linn notes that the Pirates have 22 seniors, but only four were starters last year.

"We have a progressive football program here," says Linn.

"Our students play at their respective grade levels, progress to the next level the following season."

The Pirates have restricted their playing schedule to Missouri opponents with the exception of South.

Linn's eleven opened the year with a 39-10 loss to Riverview Gardens and then beat Normal 24-6 before losing 17-14 to Hazelwood West and 7-3 to Hazelwood Central.

Pattonville won three in a row playing in rain and mud, prevailing 27-0 over Hazelwood East, 41-7 over McCluer High and 17-0 over Ritenour. Last weekend, the team was blanked 23-0 by McCluer North.

The Pirates have put 110 points on the scoreboard, and Senior Mike Wright has earned 40 of them on touchdowns. He has more than 600 yards rushing.

Basically a running team, the Pirates have calling the signals. Tim Sinovich, 6-3, 175 pounds,

who last season led the junior varsity team to a 5-3 record.

Trojans host Dupo; conference in '77?

Dupo's Tigers and Madison's Trojans will clash at 2 p.m. Saturday at Trojan Field in what may be the last football game for Madison as an independent team.

Dupo Coach Jerry Germain notes that representatives of the Quad-County Conference will meet Nov. 12 at 5:30 p.m. at Columbia High School to vote on the possible expansion of the second-year conference to include Madison, East St. Louis Assumption and Mater Dei of Breese.

Current members are Dupo, Freeburg, Columbia, Central of Breese and Orchard Farm of St. Charles, Mo.

"The situation right now," explains Germain, "is that every team in the conference still has to qualify for state playoffs as an independent school."

"The Quad-County conference does not qualify for playoff consideration since each member does not play at least six conference games."

He said that with three additional schools as members, the season schedules could be expanded to more conference games, resulting in the conference champion earning a spot in the state playoffs.

Orchard Farm, last year's conference champ, would be forced out of the conference with an expansion, since it is also a member of the Gateway Athletic Conference of Missouri and could not handle an expanded schedule.

Germain's Tigers last season were 3-1 in the conference and 9-2 overall as a 2A school, earning a berth in the state playoffs as an independent. Dupo defeated Marshall 20-0, but was eliminated from further competition in losing to eventual state champion St. Theresa of Decatur.

Dupo has a 4-4 record going against Madison on Saturday. The Tigers opened the 1976 season with a 33-24 loss to Assumption and then beat Sesser 60 before losing three in a row — 16-0 to Central, 7-6 to Principia and 14-7 to Orchard Farm.

The Tigers have bounced back for three straight victories, 20-7 over Columbia, an impressive 27-4 over Elvarado and 15-14 over Freeburg during the past weekend.

Dupo lost all but a few experienced players from last year's team that went into overtime to beat Madison 12-4. But a junior, Mike Ray, 5-10 and 189 pounds, has done well for the Tiger offense thus far, rushing for 626 yards and scoring eight touchdowns.

Quarterback is Junior Jim Woods, 6-0 and 180, the filling that slot for a first season after converting from the defensive lineman spot he occupied last season.

As a team, the Tigers have gained 1,473 yards rushing and 885 yards on aerials by Woods. Dupo has tallied 21 TDs.

Woods' passing arm was not utilized fully until the Orchard Farm game, when he threw aerials for 195 yards while his team mustered 46 yards on the ground. Through that game, Dupo had scored all of its TDs on the ground. It did not put the ground through that game, Dupo had scored all of its TDs on the ground.

Germain believes Dupo's most impressive win this season was against Freeburg. The Tigers, trailing 14-0 at halftime, put 15 points on the board in the third quarter on TDs by Bill Miskell and Ray.

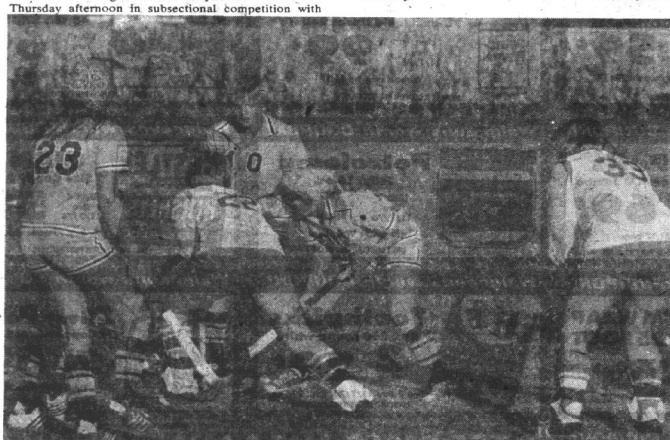

Madison, with first-year mentor Nick Jakich at the helm, has turned in sharp performances in many contests but has yet to dominate opponents on the scoreboard and has an 0-8 record.

Though winless, Madison has been shut out in only two contests. It has played three teams that may help comprise next year's Quad-County conference — Columbia, Assumption and Mater Dei.

Overall, the Trojans have gained 792 yards rushing and 670 yards in the air, with Joe Pechowski doing the passing. Sophomore James Heard heads Madison's individual statistics with 346 yards rushing and 153 yards on pass receptions.

SHOT TOWARD GOAL by Leslie McIntyre (20) of the GCHS North girls' field hockey team as it won 3-2 Thursday afternoon in subsectional competition with Okawville. North now will face GCHS South at 3:30 p.m. Thursday.

STEELERETTE VICTORY on Thursday in a subsectional field hockey game at Okawville. Left to right are Marcie Bunch (23) of North, who scored all three goals, Rhonda Gibson (22) of Okawville, Mona Hefner (40) of North, Gayla Maxwell (32) of the Granite City team and Jane Heiman (33) of Okawville.

SIUE women in state field hockey tourney

The women's field hockey team of Southern Illinois University at Edwardsville finished its regular season with a 1-1 tie this week against the St. Louis Club team. The contest puts the Cougar record at 1-4 for the year.

In the second-period of play, at 7, center forward Kathy Going scored an unassisted goal. Dribbling the ball downfield, she reached the top of the scoring circle and let loose a long, hard drive right past the goalie.

Cougars Maiverse Williams and Jane O'Laughlin also took several shots on goal. Ten minutes had elapsed after the SIUE score when the Club's Wendy Kmucha flicked the ball past Cougar goalie Sharon Frey

and into the net. With eight minutes remaining, Kathy Going and a line of attackers moved into the scoring area unchallenged by the defense. But as she was winding up to shoot, the ball was stolen away by an enemy fullback.

The women are competing in the state field hockey tournament at Eastern Illinois University today.

Top area soccer teams will play at Busch on Saturday

Both the Southern Illinois University at Edwardsville and St. Louis University soccer teams tuned up for the prestigious-laden Bronze Boot game this Saturday at St. Louis: Busch Memorial Stadium by posting consecutive double victories over the weekend.

Kickoff time will be 7:30 p.m. Saturday.

Coach Bob Guetker's Cougars took out their anger against Quincy the previous weekend by demolishing the U. of Wisconsin-Milwaukee club 5-0 Saturday, and the Sunday afternoon romp to a 3-0 victory over the University of Illinois-Chicago Circle in the Windy City. The Chicks had turned back Quincy's Hawks 1-0 earlier in the season.

At the same time the SIUE kickers were winning a pair, the St. Louis U. Bills of Coach Harry Kough, who has turned their record to 11-3-1, traveling to Green Bay for a 2-0 victory over the U. of Wisconsin-Green Bay Phoenix Kicks Saturday, and then Sunday turning back the tough University of South Florida 2-0 in St. Louis.

The two-game sweep by the Cougars raised their record to 11-2-0. And the annual Bronze Boot Game figures to be the usual nail-biting contest it always is.

The two collegiate soccer powers go into the clash with a chance to take the lead in the series. In five previous meetings, the Bills have won a pair and the Cougars two, with one game ending in a tie.

Scoring for SIUE at Milwaukee was handled by Tim Twilman and Greg Bialik, with a pair of goals each, and senior Cougar winger, Tim Holstein, who got the fifth goal. Assists were by Holstein, Mark Moran, Jeff Cacciatore and Dave Hummert.

Cougar goals at Chicago were posted by Twilman, Villa and freshman striker, Dave Hummert. Assists were by Greg Makowski and Twilman.

Sites around the St. Louis

metropolitan area where tickets may be purchased include SIUE's ticket office in the University Center; SIUE's athletic department office on the second floor of the new Classroom Building Three, (Room 2136); and Earl's Discount Store, downtown Granite City.

Tickets for advance general admission are \$2. All tickets bought at the stadium will be a \$20 ticket which will admit at least five adults (coaches, managers, etc.) and 15 players of ages 18 and under.

Also much in demand is the \$50 sponsor ticket in which the purchaser gets two dinners at Stadium Club prior to the game, plus one team ticket and two general admissions tickets. Since it is SIUE's home game, all SIUE students will be admitted free. St. Louis U. students, also with identification cards, will be able to buy a \$1 advance ticket.

AM/FM 8-TRACK in-dash STEREO

only \$**69.95**
SAVE \$30

At this price, it's like paying for the stereo radio and getting the 8-track free. We've sold thousands of J.L.C. in-dash units and we've found they build power and rugged performance into each system. "Road and Track" (Feb. 1974) raved about their superb AM/FM reception... and this J.L.C. 841 is no exception. Inserting a tape cartridge through the radio dial-in-the-door automatically turns off the radio... starts the tape... and makes the 841 compact enough to build into the dash of even the smallest cars. If you like, CMC offers complete, professional installation.

A get-acquainted session and a business session will be conducted by the parents of the students of the University of Illinois at Chicago on Monday, Nov. 10, at 7:30 p.m. in the main hall of the University of Illinois at Chicago.

Seniors' minibus service soon

A minibus shortly will be conducted by the business session. The minibus will be used to transport the seniors to the business session on Monday, Nov. 10, at 7:30 p.m. in the main hall of the University of Illinois at Chicago.

Arthur Pindner announced.

Arthur Pindner announced that he will be leaving the University of Illinois at Chicago on Monday, Nov. 10, at 7:30 p.m. in the main hall of the University of Illinois at Chicago.

Arthritis is meeting topic

An informational talk on the Arthritis Foundation was presented by Marcia Whitson at a meeting of St. Elizabeth Altar Society last week. She spoke about the victims of the illness and help that is available through the foundation.

After her talk, Larry Miller showed a film relating the needs and services of the United Way and John Blasingame appealed for assistance for the local branch of the United Way.

President Mrs. Mary Blankenship welcomed 38 members and requested reports of the organization's officers. Members also agreed to donate funds to the school Learning Center for supplies and equipment.

Mrs. Janet DeRousse announced plans for the Christmas bazaar are completed and a meeting of both chairmen and officers will be held at 2 p.m. on Monday, Nov. 8 to coordinate the final arrangements.

Special features for the holiday project include an antique wicker baby buggy and stroller for the Attie Treasurer.

Mrs. Mina Duggins, president, was in charge and welcomed several guests, including Mrs. Mae Finley, Mrs. Geneva Gafford, Mrs. Mary Charlton, Donald Mayberry, Howard Wigger and Mrs. Elsie Sturdivant. A new member presented was Mrs. Bertha Kiehl.

The Rev. W. L. Showers gave the devotion, taken from John 13, and John Cavins led the opening prayer.

Mrs. Duggins sang "He Touched Me" and Mickey Garin sang "How Great Thou Art." Several hymns were sung by the club members, and Mrs. Naomi Rongey read a poem, "I Ain't Dead Yet."

In the business session, reports were given by the officers and flower committee chairman. A card was signed for Ray Redelberger who is in ill health.

Six dinners were delivered to shut-in members at the lunch hour. The afternoon was spent quilting and the Rev. Showers gave the closing meditation.

Others attending were Mesdames Virginia Taylor, Lois Jones, Lena Benivar, Ann Wigger, Rose Brennan, Florence Paul, Ruth Hassler and Norma Rains, Mr. and Mrs. Fred Coffman, Mr. and Mrs. Joe Cobein, Mr. and Mrs. Mickey Garin, Mr. and Mrs. Tom Wilson, Mr. and Mrs. Earl Cox, John Cavins, and Mesdames Naomi Burnett, Lena Stephens, Gladys Hudgens, Georgia Mitchell, Lela Harris and Ruby Mayberry.

Illinois U. parents to meet here Monday

A get-acquainted session and informational meeting of the Mother's Association of the University of Illinois will be held at 7:30 p.m. Monday at Nameoki United Presbyterian Church, 1700 Pontoon Road.

Staff and students from the University of Illinois will be present to discuss the school and answer questions.

Special guests will be Mr. and Mrs. Vernon Vignier of Lebanon and their son, Craig, who is a U. of I. trackman and competed in this year's Olympics.

Parents of all current and prospective U. of I. students and the students themselves are being invited to attend.

Seniors' minibus service soon

A minibus shortly will be available for senior citizens without transportation who need to go to the hospital or a physician's office, it was reported at last week's meeting of the Kirkpatrick Golden Age Club.

The minibus currently is being checked for safety features prior to being placed in service, Edgar Paddock advised the club members. Those wishing to be transported by the bus will be required to call one day in advance, Paddock said, noting that a telephone number for this service soon will be released.

Mrs. Ruby Corbitt, president,

conducted the business session. A prayer and pledge to the flag opened the meeting. Reports were given by Mrs. Peggy Gibbons and Mrs. Lumeta Durbin.

Mrs. Caroline Lux, sunshine chairman, said cards have been mailed to Pauline Earlinger, Neely Panthea, Ida Cassel, Nellie Hillmer and Arthur Whitworth, who were reported ill.

Mrs. Pearl Paisley and Jim McPike were guests at the meeting.

The American Association of Retired Persons (AARP) will hold a Christmas party Dec. 8 at the Croatian Hall in Madison.

Arthur Pindner announced. Tickets must be obtained in advance to be admitted, he said. The birthdays of Ruth Purkey, Ida Cassel, Woody Lynn, Nan Shone and Ethel Stark were celebrated and refreshments were served. Games were played and prizes were awarded to Belle Kreher, Theresa Walkenbach, Lillian Gregory, Lindner and Mesdames Corbitt, Paisley and Stark.

Notice was received by the club of the death in Alabama of a former member, Leo Bender. At the Nov. 5 meeting, a potluck dinner will be served at noon, Mrs. Corbitt said.

Central Christian to mark 75th year

The congregation of the Central Christian Church, 2020 Johnson Road, is engaged in plans for celebration of the 75th anniversary of the church's establishment in this community.

In 1901 a small group of those who held to the doctrine of the Christian Church (Disciples of Christ) began holding services in North Venice, in the homes of members, and in 1902 tent meetings were held in the summer under the McKinley Bridge.

A lot was purchased at 22nd and State streets, in 1906 where a building was erected in the same year.

The congregation grew to the point where larger facilities were needed, and on June 19, 1906, the new sanctuary at 2020 Johnson Road was dedicated.

The 75th "birthday party" will be celebrated by members and friends of the church on Sunday, Nov. 14, from 9 a.m. to 5:30 p.m. at 9 a.m. the day will begin with the church school and adult education gathering together in the chapel.

A worship celebration at 10:45 a.m. will feature as guest speaker the Rev. Russell F. Harrison, treasurer of the Division of Homeland Ministries of the Christian Church (Disciples of Christ) in

Indianapolis, Ind. He also serves as executive of the Office of Finance and Interpretation in the Division. Rev. Harrison has been chosen as the title of his sermon "Central Christian Church - Diamond in the Rough."

One of the highlights of the observance of the diamond anniversary is the preparation of a photographic church directory. Each family in the church is participating in this project, which involves pictures being made of the family groups which will subsequently be put into a directory.

Friends and members of the congregation have been asked to bring in any items, articles,

books, or other mementos representing various phases of the history of the church, for display on a special history table in the church on Nov. 14. Those in charge of this include Myrtle Poole, Lois Bilbrey, and Joyce Bennington.

The afternoon social featuring a congregational dinner, will be held in the dining room, and the Ch-Rho Youth Group, under the direction of sponsors Warren and Mildred Collins, will be in charge of the evening worship program to conclude the day of celebration.

As a way of saying "thank you" for the 75 years as a congregation, the members and

friends of the church have been asked to share 75 pieces of coin, Rev. Dennis Rutledge, pastor announced. A goal of \$2,000 has been set, which amounts to about \$10 per family, and the money can consist of a combination of pennies, nickels, dimes, or dollars. All those contributing the 75 "cents" will be recognized on the church's "75 Club" list, according to Rev. Rutledge. He added the bulk of the money will be used as an advance principal payment on the mortgage.

The general chairman of the event is Mrs. Doris Edwards.

Presidents topic of Pack 46

Cub Scout Pack 46 sponsored by Nameoki School PTA held an October meeting, last week opened by Den 1 spelling out the word "America" and telling something each letter stood for.

Jerry Poole, cubmaster, introduced members of the pack committee and den leaders. Committee Chairman, Ronald Coleman; Institutional Representative, Delbert Parnell; secretary, Mary Goode; treasurer, Derwood Bonn; advancement chairman, Carole Poole; Den Leaders, Brenda Schoenhardt, Donna Brooks, Linda Harris, Jerry Poole, Webelos Leader and Den Assistants, Betty Haug, Loretta Pulley, Helen Robertson, June

Branding.

"Outstanding American Presidents." Each den presented a skit in keeping with the theme. New Cub Scouts were welcomed and Bobcat badges were presented to Robert Brooks, Michael Dawson, Robert Diller, Jonathan Goode, Danny Haug, Kevin Pickard, Timmy Thomas, Artie Wilkinson.

Billy Fisher, Brian Harris, Billy Heiner, Rusty Krull, Derek Mangiarini, Jeff Pargell, Darrell Pulley, Jay Ritchie.

Athlete awards were presented to the following: Webelos, Randy Coleman, Bryan Poole, Eddie Thomas, Mike Oranich, Scott Speck.

New den leader patches were awarded to Donna Brooks and Linda Harris, and their assistants Betty Haug and Loretta Pulley.

Cubmaster Poole announced the annual Cub Scout popcorn sale would begin Oct. 30.

The "Cubby" award went to the Webelos den which had 100 per cent parent attendance.

Closing ceremony was led by Den 1 followed by refreshments served by the Webelos.

58ers mark Halloween at club party

The youth room at St. John's United Church was transformed into a ghoulish hideaway for the weekend Halloween party for the 58ers 4-H Club. Shannon Bushue, chairman, Gina Lane, and Camie Mercer were in charge of arrangements.

Twenty-two costumed members and one guest formed a parade and prizes were awarded to clown Christina Bailey, cutest, and mummified Dina Lounce as most original. Game prizes were won by Karen Spencer, Julie Scannell, Cindy Buente and Janet Scannell.

The table centerpiece was a uniquely carved pumpkin head and small ghosts. A smiling dummy was hung from the ceiling and bats and spiders created the party atmosphere. Refreshments of "hairs wheels" rolled in "crushed bones," "ghoul-aid" and "witches brew" plus apples earned in a dunking contest completed the evening.

Members attending not previously mentioned were Kelly Ault, Patty Basarich, Nancy Dimitroff, Beth Goeller, Gina Graham, Laura Jennes, Tracey Johnson, Gloria Milani, Loretta Paschedag, Ellen Range, Lisa Scannell, Mary Ruth, Wendy Sparks, Penny Strum, Julie Scannell, a guest, and Mrs. Marsha Bushue and Mrs. Joanna Spener, leaders.

Project books were distributed. Members were reminded of the Nov. 4 meeting to be held at St. John's Church. The club bake sale will be held on Saturday, Nov. 6, at Kroger's in Nameoki Village Shopping Center, starting at 8:30 a.m. All members are required to participate in the fund-raising project. Dina Long, ways and means chairman, will assign work times at the meeting.

Eastern Star past matrons plan party

Mrs. Hula Griffin, 2632 Iowa St., entertained the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, at her home Monday evening.

Mrs. Rachel Larsen presided over the business session when final plans were made for a Christmas party on Monday, Dec. 6, starting at 6:30 p.m. at the Grand Cafe.

Mrs. Mary Ellen Lewis and Mrs. Frances Williams will accept dinner reservations, Mrs. Larsen said.

Refreshments were served by the hostess and games were played. Prizes were won by Mrs. Karmyn Edmonds, Mrs. Katherine Roman and Mrs. Virginia John.

Also present were Mesdames Louise Meador, Sadie Jones, Blanche Leuchter, Clara Harding, Florence Spahr, Arline Fox, Mary Bilbrey and a guest, Hazel Wood.

Chapter to hear Dr. Sanders

Dr. Steven Sanders, professor of physics at Southern Illinois University at Edwardsville, will be the guest speaker at a dinner meeting of the Belleville Chapter of the National Association of Women in Construction (NAWIC) at 6:30 p.m. Monday at Tony's Restaurant in Belleville.

The featured speaker will speak on the Metric System, according to the president Mrs. Mildred Kereks.

Dr. Sanders, a native of Chicago, received his doctors degree from the University of

South Carolina and is a past president of the Illinois Association Physics Teachers; second vice-president of Illinois Academy of Science, a member of the board of directors of Illinois Science Teachers Association. He was also awarded an SIU grant for work on project science teaching, Mrs. Kereks added.

The president reports a NAWIC fall planning conference will be held from 9 a.m. to 3 p.m. Saturday at the State House Inn, Springfield, Ill.

BETROTHED. Miss Brenda Sue Howell and Todd James Milner whose engagement and plans for an April wedding are being announced by her parents, Mr. and Mrs. Merri G. Howell of DeSoto, Mo.

Milner-Howell engagement

Mr. and Mrs. Merri G. Howell, Rural Route Three, DeSoto, Mo., are announcing the engagement of their daughter, Brenda Sue Howell to Todd James Milner, a son of Mr. and Mrs. James W. Milner, of DeSoto.

The bride-elect is a granddaughter of Mr. and Mrs. Earl J. Strain, 3119 Wayne Ave. She is a 1973 graduate of DeSoto High School and attended Jefferson College. She is now employed at Fo-Jo Studio.

Her fiancé was graduated in 1971 from St. Onyes High School, Springfield, Mo. and received a bachelor of arts degree in philosophy from the University of Dallas, Irving, Tex. He works at Smith's Tile and Carpet Co.

Plans are being completed by the couple for an April wedding.

Bridal shower honors Miss McKay

Miss Lorraine McKay of Granite City was honored at a pre-wedding party this week given at the Granite City Elks Lodge 1063.

Hostesses were Miss Carolyn Jamieson, Mrs. Ruth Jolly, Mrs. Judy Russell, Mrs. Doris Fox, Mrs. Julie Range and Mrs. Jackie McKay.

The honoree will be married Nov. 20 at the United Pentecostal Church to Mike Jamieson. The bride-elect is a daughter of Mr. and Mrs. Mel (Peggy) McKay of Pittsburgh, Pa., formerly of Granite City.

The tables were decorated with pink and burgandy colored streamers and bells, conforming to the wedding's color theme. A large cake, iced in pink and white, was used as the centerpiece.

A buffet luncheon was served and games were played for entertainment.

Among the guests were Mrs. Peggy McKay mother of the honoree and Mrs. Nelda Jamieson, mother of the prospective bridegroom.

Others honoring the bride-to-be were Karen Kibort, Maureen Andria, Shirley Kibort, Lavonne Ebert, Wanda Rousseau and Jill, Carol Partney and Dorothy Dolores Zinn, Charlotte Pyle, Agnes Dillard, Lorie McCauley, Dorothy McKay Castle, Barbara Fulmer.

Mary McKinnon, Carrie McKay, Ovella Ochoa, Bernice McKay, Heather Ochoa, Marlene Brokaw, Janet Harris, Margaret Andria, Doris Range, Marilyn Harris, Theresa Walkenbach, Wilma Russell, Lois Anne Parmler, Donna Sprinkle and Kathy Hamilton and Brian.

Pack 12 hosts Halloween party

Cub Pack 12 of Niedringhaus School held its October pack meeting and celebrated Halloween with a party in the school cafeteria, which was decorated with spider webs, skeletons, pumpkins and witches on the walls.

All the cub scouts and Webelos attended in costume for the business meeting conducted by Lloyd Jones, committee chairman preceding the parade.

The boys participated in a parade for judges, Bud Parks, Mike Jaycox, and Barry Rideout. First place ribbon for the most original was won by Nathan Crane as "Jaws" and an award for second prize went to Ken Boley and third to Henry Brown.

Scariest first place was won by Tracy Proffitt as a hunchback; second by Jeff Chaboude and third by John Musick. Best overall awards were presented to Randy Feltmeyer as George Washington, second to Tom Gaglio and third to Scott Harris.

After the judging the boys "bobbed" for apples with prizes awarded to Tracy Proffitt, Tony Proffitt and Paul Macios. The Webelos Den organized the apple contest.

Those introduced during the meeting included Clifford "Bud" Parks as the new cubmaster; Carol Cathey who is leader of Den One for a second year; Dorothy Rideout new den mother for Den Two; Mike Jaycox the new Webelos leader; Pat Musick, entertainment chairman and Sheila Parks as assistant; Donald Hagen, treasurer and Sue Jones, secretary.

Halloween cupcakes and cookies were provided by the parents after the party.

Merz-Heigert wedding at East Alton 1st Baptist

Miss Joan Heigert became the bride of Bruce Merz, Oct. 23, at the First Baptist Church in East Alton. The ceremony was performed by the Rev. David Weimer before an altar decorated with yellow and white chrysanthemums. The reception was held in the church social room immediately following the ceremony.

The bride is the daughter of Mr. and Mrs. Harvey Heigert, 227 Robin Hood Drive, East Alton. Parents of the groom are Mr. and Mrs. Kurt Merz, 419 S. Main, Troy, former residents. A chapel length train highlighted the bride's minimalist floor length gown. The Empire bodice was lavishly embroidered with long, full sleeves. A coronet headpiece secured the illusion veil which was edged in lace and she carried a bouquet of yellow roses.

Maid of honor was Miss Chris Wooden, Alton. Attendants were Mrs. Sandra Merz, Collinsville and Mrs. Lupe Licota, Florissant, Mo. They wore Nile green empire gowns with matching trimmed hats and held bouquets of yellow pom poms and daisies.

Edward Merz served as his brother's best man and his other brothers, Eric and Mark, groomsmen. Ushers included Terry Heigert, brother of the bride and Robert Suprenski, cousin of the bride. The bride is a 1970 graduate of Roxana High School and in 1974

she received a BS degree in Business from Southern Illinois University at Edwardsville. She is employed as an accountant at Granite City Steel. The groom graduated from Triad High School in 1968. He received a BS degree in Business from SIUE in 1972 and an MBA in Finance from SIUE, June, 1976. He is financial manager for Bull Moose Tub Co., Gerald, Mo.

The couple will reside in Pacific, Mo. Out-of-town guests who attended the wedding were Mrs. W. C. Manes, Falls Church, Va., grandmother of the groom, Mr. and Mrs. Austin Bohman, Des Plaines, Ill.; Mr. and Mrs. Roger Sengel, Birmingham, Mich.; Mr. and Mrs. Charles Beck Jr., Huntsville, Ala.; Mr. and Mrs. Charles Beck Jr., Fenton, Mo. Numerous guests attended from Granite City.

The rehearsal dinner was held at the home of the groom's parents for the wedding party and out-of-town guests.

MRS. CLARA WINTER ENTERTAINED CLUSTER. Mrs. Clara Winter entertained the Jolly Eight Canasta Club, last week, and served a dessert course prior to the card games. Those winning prizes were Sue Busch, Delores Riddle, Lucille Broyles and Norma Creshaw, a new member. Also present were Virginia Kittel, Maryetta Wambaugh and Pam Israel.

MRS. BRUCE MERZ, the former Miss Joan Heigert who was married at the First Baptist Church, East Alton. She is a daughter of Mr. and Mrs. Harvey Heigert, of East Alton.

Grace Baptist scene of Pence-Mandl wedding

Wedding vows were exchanged by Miss Tracie Ann Mandl and Richard Pence at 8:30 p.m. on Oct. 16 at Grace Baptist Church in the presence of the Rev. Bill Fox and the Rev. Dr. Jack Fritz.

Organist Larry Christian played the "Theme from Love Story," "Everyday of My Life," "Because," "I Love You Truly," "O Promise Me," and the "Wedding March."

Burning tapers in branched candelabra and bouquets of pink, white and peach mixed flowers provided the setting for the double ring ceremony.

The bride is a daughter of Mrs. Ernest L. Hopkins, 3226 Princeton Drive and Karl O. Mandl, 9003 Lebanon Road, Belleville. Parents of the groom, Mr. and Mrs. Edward Pence, reside at 100 Central Ave., Mitchell.

Escorted down the white carpeted aisle and given in marriage by her father, the former Miss Mandl, chose a long ivory Quiana jersey gown fashioned in an Empire silhouette enhanced with silk Venice floral motifs around the open neckline, on the bodice, long tapered sleeves and defining the high rise waistline.

The lace appliques were repeated on the wattle panel at the back of the gown which fell softly into a full sweep train. She wore a camelot headpiece of lace and pearls to secure a triple tiered veil bordered in matching lace and she held a bouquet of pink, red, and white roses with baby's breath and greenery.

A sister of the bride, Mrs. Dana Podgajny, served as matron of honor. She wore a formal length apricot colored

sheer dress designed with an open fan style bodice and complemented with a long sleeve jacket.

She held a colonial bouquet of white carnations and coral pom poms. The groom chose his brother, Steve Pence, as best man. Dale Jones and Larry Franko seated the guests.

The newly married couple received 160 guests at a reception held in the church hall immediately following the service. Assisting as hostesses was Dorothy Pulley and Jerry Childers.

For her daughter's wedding, Mrs. Hopkins, appeared in a long mint green Quiana knit gown fashioned with a scoop neckline, long sleeves and Empire waist accented with a star burst pin.

The groom's mother, Mrs. Pence selected a floor length deep rose knit dress created with soft gathers at the waistline, wrist length sleeves and a decorative jewel trim on the bodice.

Both mothers wore silver accessories and white gardenia corsages.

A graduate of Granite City High School, the bride is now employed at Emerson Electric, St. Louis. Her husband also graduated from Granite City High School and works for Rite Electric Co., Granite City. They are now residing in Granite City following a wedding trip to the Ozarks.

Out of town guests included Mrs. Geri Anderson, Newport Beach, Calif.; Mrs. Ernestine Miller, an aunt of the bride from Laguna Beach, Calif.; and Moshe Aaron, of Beaumont, Tex., the groom's uncle.

Camille A. Bischof and Patrick Scholz are wed

St. Margaret Mary Roman Catholic Church was the scene of the wedding on Oct. 22 of Miss Camille Ann Bischof, a daughter of Mrs. Ruth Bischof, 3204 Erin Drive and the late Vincent R. Bischof, and Patrick David Scholz, a son of Mr. and Mrs. James A. Scholz, 3788 Orleans Court, Decatur, Ill.

Altar bouquets of fall flowers in gold bronze hues provided the autumn setting for the 7 p.m. candlelight double ring ceremony performed by Father Edward Groesch.

For her wedding, the former Miss Bischof, chose an A-line style ivory organza over tulle gown lavishly accented with Venice and Chantilla lace on the bodice creating a high neckline and decorative panel on the front of the gown.

Her full bishop sleeves were fashioned of matching lace and tightly cuffed at the wrists with a Chantilla band. Venice lace trimmed the back of the gown and chapel train.

She wore a camelot headpiece of seed pearls and sequins to secure a fingertip veil of ivory illusion which was also bordered in wide Chantilla lace. Her bouquet was a colonial style with yellow, apricot and deep red roses intermingled with ivory baby's breath and festooned with dark moss velvet streamers.

Maid of honor Miss Pam Bischof, a sister of the bride, wore a long flowing polyester gown in pistachio color accented with dark green velvet embroidered belt effect on the Empire bodice. She held a nosegay of apricot roses, pom poms in yellow and brown with green streamers.

Bridesmaids Mrs. Edward Bain, a sister of the bride and Miss Cheryl Stolz, the groom's sister, selected identical designed gowns in toast color enhanced with rust velvet. They carried nosegays of fall blossoms tied with deep burnt orange streamers.

Each attendant wore a halo of pom poms and roses in complementary shades.

The groom chose his brother, Michael Scholz as best man. Pat Leonard, James Dohr, Brad Leonard, and Greg McBride, completed the corps of groomsmen and ushers.

Sean Vincent Bain, the bride's nephew, served as the ringbearer.

Guests were received by the newlyweds at a reception held at the Elks Club. A rehearsal dinner was hosted at Rustau's Restaurant, Collinsville.

Mrs. Bischof, mother of the bride, wore a long sleeveless peach polyester knit gown complimented with matching jacket and brown accessories.

The groom's mother, Mrs. Scholz, was attired in formal length pastel blue dress with matching accessories. Both mothers wore corsages of apricot roses and baby's breath.

A June 1976 graduate of Southern Illinois University at Edwardsville, the bride is presently teaching the fourth grade at St. John the Baptist School in Red Bud, Ill.

The groom is attending SIUE where he is majoring in accounting and will graduate in June.

They are now residing in Belleville.

MRS. RICHARD PENCE the former Miss Tracie Ann Mandl who was married at Grace Baptist Church. She is a daughter of Mrs. Ernest Hopkins, 3226 Princeton Drive and Karl O. Mandl, 9003 Lebanon Road, Belleville.

Rigsby-Unsell Nuptials

Jeri L. Unsell, 1124 University Drive, Edwardsville, and Mark S. Rigsby of Granite City, exchanged wedding vows in a 5:30 p.m. ceremony on Oct. 15, conducted in the home of the bride, by Judge William Johnson.

Parents of the bride are Mr. and Mrs. W. H. Emery, Rural Route Two, Linn, Mo. The groom is a son of Mr. and Mrs. Carl Wolf, 33 Del Rio Ave., Edwardsville.

Attending the couple was Cathy Mize as honor attendant

and Kevin Twellman, a nephew of the groom, as best man. A 1970 graduate of Roxana High School, the bride is employed as an legal secretary in the state's attorney's office, Edwardsville.

The groom was graduated in 1970 from Granite City High School and in 1974 from Illinois State University, Bloomington. He is working as probation officer for the Madison County Probation Dept., Edwardsville. They will reside in Edwardsville.

REV. AND MRS. BYRON WAMPLER whose wedding took place at the Bethel Chapel Pentecostal Church, formerly Kathy Joan Johnson, the bride is a daughter of Mr. and Mrs. Lloyd L. Johnson, 4129 Braden Ave.

Kathy Johnson becomes Mrs. Byron A. Wampler

The wedding of Miss Kathy Joan Johnson, a daughter of Mr. and Mrs. Lloyd L. Johnson, 4129 Braden Ave. and the Rev. Byron A. Wampler, a son of the Rev. and Mrs. Ansel Wampler, 2727 Osceola, St. St. Louis, was solemnized on Oct. 3 at Bethel Chapel Pentecostal Church, West 25th street and Ohio avenue.

Prior to the service Mrs. Debbie Brimer sang "The Lord's Prayer" and "Time in a Bottle" accompanied by guitarist Dan Brimer and organist Miss Luena Keeton.

The Rev. Clinton Gallier officiated at the 8 o'clock evening ceremony. Escorted to the altar by her father, the bride wore a long white organza gown fashioned with a Sabrina neckline trained with Venise lace. Matching lace was repeated on the long semi-full skirt and bouffant sleeves.

Vertical rows of delicate lace enhanced the chapel train and bordered both the train and gown hemlines.

A lace Juliet cap held in place her elbow length veil edged with wide scallop lace. She held a cascade bouquet of red roses and white carnations encircled with a garland of baby's breath and greenery.

Honor attendant Miss Vicki Johnson, a cousin of the bride and bridesmaids, Miss Nancy Johnson, a sister of the bride, Miss Jeanette Laswell and Mrs. Todd Greiner selected identical dresses.

Their light blue A-line gowns were created with royal blue velvet bodices, trimmed with a ruffle on the cuffs and hemlines. Each attendant held a basket of variegated blue carnations and blue baby's breath.

Dondra Stewart served as the flower girl. She was dressed in a blue frock and also carried a basket of blue blossoms.

Mike Hampton attended the groom as best man. Groomsmen and ushers included Mark Bea, Kenny Wampler, a brother of the groom, Jim Poole, the bride's brother-in-law, Dan Brimer and Kevin Crane, a cousin of the bride.

Eddie Johnson, a brother of the bride, was the ringbearer. After the service a reception was held at Tri-City Park Tabernacle Church hall.

The bride is a graduate of Granite City High School North. Rev. Wampler was graduated from Roosevelt High School in St. Louis and pastors churches in the Missouri area.

They are residing in Granite City.

Awards were given to Mrs. Doris McCoid, summer best looser, Mrs. Isabelle Becker, backsliders contest; Mrs. Glenda Ozburn, Mrs. Lori Hintz, and Joann Petras, officers weight loss contest. Mrs. Glenda Ozburn was re-capped as KOPS and Beverly Beck was honored as one-year KOPS alumni.

Other members attending were: Mrs. Clara Becker, Mrs. Diana Wilson, Mrs. Carol Kalkbrenner and Mrs. Rita Gray. Mrs. Glenda Ozburn, leader, was presented a corsage by members for her hours of effort and enthusiasm in preparing for the rally.

MRS. THOMPSON VISITS WITH BARCUS FAMILY Mrs. Malcolm Thompson, 4170 Breckenridge Lane, has returned to her home following a three week visit with her son-in-law and daughter, Mr. and Mrs. Al Barcus of Plano, Tex.

She visited with grandchildren Kelly and Michael and newborn grandson, Robert Barcus.

MR. AND MRS. DAVID BELL They exchanged wedding vows at Sacred Heart Catholic Church. Formerly Miss Pamela L. Doty, the bride is a daughter of Mr. and Mrs. Samuel F. Doty, 2733 West 22nd St.

Pamela L. Doty married in afternoon ceremony

Tall urns of gladiolus and pom poms in fall colors intermingled with autumn leaves and white bows on the pews decorated the sanctuary of Sacred Heart Catholic Church for the wedding on Oct. 2 of Miss Pamela L. Doty and David A. Bell.

Father James L. Neuman performed the double ring ceremony at 2 o'clock in the afternoon. Nuptial selections, "If My Sweet Lady," "The Wedding Prayer" and "We've Only Just Begun" were played by Don Stratton, organist.

The bride is a daughter of Mr. and Mrs. Samuel F. Doty, 2733 West 22nd St. Parents of the groom, Mr. and Mrs. John D. Bell, reside at 2704 Madison Ave.

Christy Hayes presided over the guest book at the church and reception held at the VFW Hall. Music was provided by "Griffin."

Escorted to the altar by her father, the former Miss Doty, selected a full length bridal gown fashioned of Chantilly lace and organza with a full hoop skirt and detachable chapel train.

A decorative lace motif accented the high neckline and yoke of the molded bodice and the long full lace sleeves were tightly gathered into a wide cuff edged with a tiny ruffle.

She wore a long mantilla veil bordered with Chantilly lace and held in place with a Juliet crown of seed pearls and lace. Her French lace colonial bouquet was an arrangement of fall color pom poms, yellow Sweetheart and orange Belinda roses with sprigs of baby's breath.

Maid of honor Miss Karen Doty, a sister of the bride, chose a long rust color jersey dress designed with a tucked Empire bodice featuring a round neckline, long sleeves and self fabric tie belt.

Bridesmaids Mrs. Marilyn Wolfe, another sister of the bride, Mrs. Carol Hunter, Mrs. Debbie Boyer, Miss Christ Antoff and Mrs. Pattie Prosser, the groom's sisters, wore identical styled gowns in yellow, green, apricot, blue and pink.

All the attendants wore headbands of baby's breath in her hair and held wicker placid baskets of bronze yellow and maroon pom poms intermingled with autumn leaves and baby's breath.

Winners at pinocle were Mrs. Leone Parente, Mrs. Theresa Walkenbach, Mrs. Myrtle Bruns and Mrs. Marie Perry.

Also present were Mrs. Vi Edwards, Mrs. Pauline Canham and Mrs. Irene Argolan, a guest Mrs. Canham will host the club next time.

Margaret Kinder early resident here

(87th of a Bicentennial Year Press-Record series)
Daniel B. Gillham, oldest son of John Gillham Sr., married Miss E. Lucetta Smith. She lived only six more years, leaving a daughter, M. Eliza, wife of Warren Lowe of Upper Alton.

Daniel Gillham later married Miss Virginia Harrison. They had one son, Willard T. Gillham, and four daughters, Nannie Addean, Alice E., E. Lillian and Virginia N.

His second wife died in 1872, and he was married in 1876 to Adeline Harrison, sister of his second wife.

Julie A. Gillham, second daughter, married William Harrison of the firm of Harrison Brothers, merchant millers of Belleville.

She lived but a short time afterward. H. Eliza, third daughter, married Shed B. Gillham of Upper Alton. Shortly after they were married, they moved to West Point, Iowa, where she died about four months afterward.

Both the latter were graduates of Jacksonville Female College and neither left children.

Joseph B., the second son, emigrated to California in 1853. He there married a Miss Adams and died from a wound inflicted by a man whom he had befriended across the plains by

loaning him money upon which he was serving upon him a writ as sheriff of the county. He left two children.

William, sixth son of John Gillham Sr., was born in the state of Tennessee while his parents were enroute to Illinois in 1840.

He married Polly McKinney, and settled on the southeast quarter of section 36, township 5, range 9, Wood River. They raised two sons — John M., formerly of the Western House, Broadway, St. Louis, later of Leadville, Colo., and Wm. E. Emaring of the Brunswick House, St. Louis.

He was also a Methodist minister, and died of cholera in the city of Alton, in 1853.

All of the above named descendants of John Gillham Sr., had numerous descendants, now scattered over the wide domain of the United States, a complete history of which would make a large volume.

Isaac, the fifth son of Thomas Gillham, was married in South Carolina to Miss Jane Kirkpatrick, emigrated to Illinois in 1804 or 1805, and settled on the American Bottom in Madison County.

Most of his children were born in the Old South state.

Their names were Thomas, John, James, William, Isaac, Polly, Margaret, Susannah and Jane.

Thomas married Letitia Davidson and settled near the plank road from Edwardsville in St. Louis, about three and one-half miles northeast from the latter, and within a few hundred feet of the old Six-Mile Methodist Church.

Their children were Newton, later of Oregon, Lewallen, James G., of Des Moines, Iowa, Shadrach B. of Upper Alton, Miherva and Lucetta the wives of Gabriel and James Marlow and Margaret, wife of W. C. Linn of California.

John, second son of Isaac

Gillham Sr., married Elizabeth Gillham and settled on the farm just west of his brother, Thomas. Their children were Jane, Madison, Julia and John.

James, third son of Isaac Gillham Sr., married Polly Lofton, and early in the 19th

century removed to Scott County.

Their children were Lefoy, Wesley, Judges Erastus and William of Scott County, Margaret, widow of the late Dr. Kersey of Winchester, and Jane, wife of Jesse Newman of

Jacksonville. William, fourth son of Isaac Sr., married Barbara Heaton and settled the farm later owned and resided upon by Dr. T. J. Irish in Nameoki Township.

Their children were J. Addison and Louisa, the wife of T. Sidney Davidson of this county. His first wife dying, he married Miss Marian Davidson. Their children were Thomas and Mary Jane.

Isaac Jr., third son of Isaac Sr., married Rebecca Hayden and settled on a farm just east of and near his brother Thomas. Their only child, James A. moved to Brighton.

Margaret, the first daughter of Isaac Gillham Sr., married John Davidson and settled the farm adjoining the church property at Kinder. Their only son, Milton, was the father of John E. Davidson of Golden, Colo., Mrs. Maggie McCarty of Arizona and Miss Mattie Davidson of St. Louis.

Harris students awarded prizes

Students of Harris School dressed in Halloween costumes last week for a parade around the streets near the school and returned to the schoolyard for judging of their costumes. They were accompanied on the tour by teachers and members of the Madison Mothers Club.

White outside the pupils divided into five separate groups for judging of costumes. Each class received prizes from the Mothers Club and were served refreshments, in their classrooms.

Students who won prizes include Tim Redstone, Nicki Hopkins, Mike Runt, April Conner, Shawn Koller, Tammy Tarasch, Jason Zeissel, Edith Trebing, Neil Huniak, Michelle Waggoner, Charles Stevenson, Ginger Booker, David Tarti, Cristy Stawar and Yvonne Timko.

Halloween decor at auxiliary meeting

The Eagles Auxiliary agreed to send a donation to the Lung Association during a business meeting of the organization held last week at the Eagles Hall. Mrs. Ruth Faubel, president, presided and the opening ceremonies were conducted by Helen Lipchik. Reports were given by Helen Frazier and Leona Delaloye.

The hall was decorated in a Halloween motif by Mrs. Delores Klesh and prizes were awarded to costumed members, in various categories.

Other prizes were won by Opha McMahon and Stella Miller. Refreshments were served by Phyllis Seka, Jackie Watkins and Nancy Mullens.

VOLKSWAGEN at CADILLAC PRICE??

NEVER HAPPEN... Volkswagen's are good cars, but there's a limit to what you would pay for one. It's the same thing in selling meats. Unfortunately, many stores stress 'PRICE' in advertising beef and poultry without mentioning the grade.

KOZYAK'S sell only Grade 'A' poultry and U.S. Choice beef. We do not criticize those who sell lower quality and lower grade poultry or beef; however, we do feel the customer is entitled to know.

ANCIENT ART OF RUG WEAVING is explained by Richard Asadorian of Granite City, representing the third generation of Armenian rug weavers. The family operates the Asadorian Rug Co. in St. Louis. The rug is one Richard is weaving for his personal collection. His grandfather, the late Stephan Asadorian, came to this country from Malatia, Armenia, (now Turkey) and started the rug business. From the left, Asadorian,

Granite City Mayor Paul Schuler, Mrs. Azniv Nazarian of Topeka, Kan., also a rug weaver, and Mrs. Billie Schuler. The display of rugs and methods of rug weaving were part of an Armenian Cultural program this week at Granite City High School South, sponsored by the GC Bicentennial Commission and the GC Armenian Community as the first of a series of ethnic programs. (Press-Record Photo)

ARMENIAN ARTIFACTS and works of art mostly religious in a nature were on display this week in the cafeteria of Granite City High School, South where several hundred people viewed them as part of an Armenian Cultural program. In 301, King Tiridates III, aided by St. Gregory the Illuminator, officially established Armenia as the first Christian country in the world, decades before Constantine copied his example in

the Roman Empire. Archeology has extended the prehistory of Armenia to the acaulian age of 500,000 B.C. and further defined it as the neolithic cradle of civilization since 10,000 B.C. when its people, known as Armenoids or Caucasians, began expanding throughout the Near East and subsequently introduced neolithic culture to Europe. Shower honors Lois Rehmus

Miss Lois Rehmus, a November bride-elect, was guest of honor at a bridal shower given last week at St. John Lutheran Church hall.

Floral arrangements in apricot color blossoms centered the tables with large wedding bells and streamers and the gift table was decorated with an umbrella and small bride doll.

Hostesses include Mesdames Marion Winkle, Patricia Zaruba, Kathy Ellis, Kathy Winkle and Treva Phillips, mother of the groom elect.

Several games were played and prizes awarded. A buffet dinner was served after the honoree opened her gifts.

Guests attending were Patty and Betty Zaruba, Sue Blatter, Nancy Page, Kimberly Page, Kathy Rudolph, Rhonda Foret, Betty Skinner, Ruby Sands, Flossie Sands, Darlene Winkle, Joanne Dorste, Mary Krause, Nona Harris, Elizabeth Durr, Pat Weathers, Margaret Noser, Gladys Brewer, Cathy Crane, Terry Greco, Betty Hoffman, Darlene Snyder, JoAnn Meuret, Connie McGee, Isabel Anderson, Cheryl Hagopian, Cecie Wein, Carole Kregger, Wilma Dorch, and Mae Bartok.

Car hits pole

James Parrott, 46, of 2436 Ohio Ave., was injured when his auto struck a utility pole on 25th Street west of Illinois Avenue at 6:40 p.m. Tuesday.

Parrott said another car came suddenly out of an alley, causing him to swerve his car into the pole. He was taken by ambulance to St. Elizabeth Hospital where he was admitted for surgery to correct internal bleeding in his abdomen. He also suffered a cut to his left wrist.

STRUCK ON HEAD

Miss Garnetta Manson, 38, of 1227 Bissell St., Venice, was brought by ambulance from East St. Louis to St. Elizabeth Hospital Monday with a head injury suffered when she was struck. X-rays were taken and she declined treatment.

Vadalabene wins; Lucco, McPike, Steele elected to representative posts

State Senator Sam Vadalabene (D-Edwardsville) easily won re-election by a majority of nearly three to one in Tuesday's balloting, while voters of the 56th Legislative District also re-elected two incumbent state representatives and elected a third.

Vadalabene polled a total of 47,676 votes in the 56th Legislative District to defeat Glen T. Wilson who tallied a total of 17,572 votes. The 56th district includes 11 townships and part of another in Madison County, and one township

(Canteen) in St. Clair County.

Joe Lucco, Edwardsville, incumbent state representative, was re-elected and Jim McPike of Alton, a newcomer in this year's election, was elected on the Democratic ballot, while voters re-elected Everett Steele, incumbent of Glen Carbon on the Republican ballot.

Defeated in the legislative race was Eva Giltner McDonald of Alton.

Lucco tallied the highest vote in the legislative race in which two Democrats and two

Republicans sought three elective state representative posts. He received a total of 60,549 votes in the district. McPike tallied 54,005 votes. Steele 42,786½ and Mrs. McDonald, 25,074½.

Vadalabene polled 43,913 votes in Madison County and 3,763 votes in Canteen Township of St. Clair County. Of his total Madison County vote, Vadalabene received 20,346 votes in the four townships of the Quad-City area which are in the 56th Legislative District.

In the state representative race, Lucco polled 54,866 in the Madison County portion of the district and another 5,683 votes in Canteen Township in St. Clair County to head the voting in that race.

The vote for Steele was 40,373 in Madison County and 2,215½ in Canteen Township. The Madison County vote for Mrs. McDonald was 25,633 and that in Canteen Township was 1,441½.

Lucco received a Quad-City vote of 25,808, including 15,151 in Granite City, 4,653 in Nameoki Township, 4,937½ in Venice Township and 3,066½ in Chouteau Township.

McPike's Quad-City vote totaled 22,483. He received 11,313½ in Granite City Township, 3,940 in Nameoki Township, 4,622 in Venice Township and 2,588 in Chouteau Township.

Quad-City voters gave Steele a total of 14,758 votes, including 8,946½ in Granite City Township, 3,168 in Nameoki Township, 1,125½ in Venice Township and 1,524 in Chouteau Township.

Mrs. McDonald's vote total in the Quad-Cities was 6,094½, with 3,431 cast in Granite City Township, 321½ in Venice Township and 963 in Chouteau Township.

Open house rescheduled

Open house activities at Granite City Dodge's newly completed facilities at 3653 Nameoki Road during the weekend was postponed due to heavy rains in the area and has been rescheduled for Saturday between 10:30 a.m. and 1:30 p.m.

The auto agency is the first of a planned 21-unit development of a multimillion-dollar "automotive" shopping and service area in the Nameoki shopping area on an L-shaped tract of four acres to the north

and west of the present Granite City Car Wash facility.

The center is being designed to accommodate all types of business operations in the auto industry, such as service units, parts suppliers and dealer agencies.

Vote may set new record in county

Voters in the 197 precincts of Madison County cast an estimated 101,623 votes in Tuesday's election on the basis of unofficial returns reported by the county clerk's office at Edwardsville.

If the official canvass bears out this estimate, Tuesday's balloting will set a record for voting in Madison County by several hundred votes.

The last record vote countywide was 101,396 cast in the 1972 general election.

The close election race between the Democratic and Republican candidates for

President and intense interest in the election battle between Michael J. Howlett, Democrat, and Republican James Thompson for the Illinois governor's office primarily was responsible for the heavy turnout Tuesday in this state and in other parts of the state.

Madison County's total registration this year was 129,586, slightly less than the 1974 registration of 132,538.

Heavier than usual balloting occurred in most of the county's 197 precincts Tuesday, with a total vote in the four townships of the Quad-City area, of 28,072.

This included a vote of 15,203 in Granite City Township, 5,247 in Nameoki Township, 4,440 in Venice Township and 3,142 in Chouteau Township.

Total precinct voting in some instances exceeded 1,000 a turnout that many politicians said they had never seen in previous elections.

In Granite City precinct 17, for example, a vote of 1,061 was cast, while in precinct 28 recorded a total vote of 906, and 1,003 votes were cast in Granite City precinct 32.

Other voting records Tuesday included a vote of 1,039 ballots in Collinsville precinct 11 and

1,943 in Collinsville precinct 12. A vote of 1,041 was recorded in precinct 6 at Edwardsville and 1,081 votes were cast in Jarvis Township precinct 1.

Unusually heavy votes also included 969 in Collinsville precinct 8, 949 in Collinsville precinct 7, 829 in Wood River precinct 4 and 790 votes in Godfrey 10.

During the balloting Tuesday several complaints about malfunctions in voting machines were reported, but in nearly all instances repairs were made as soon as possible.

Some voters contended that use of faulty machines could have resulted in a loss of votes for some candidates while repairmen were on the way to the precincts in which such events reportedly occurred.

One voter said he was unable to use the lever to vote for

president in the Democratic column in Nameoki Precinct 6 during the morning, but said he learned the machine was repaired during mid-morning.

"I wonder what happened to the votes that people tried to cast during the early morning," he noted.

A Granite City voter said he encountered precinct workers enquiring within the Granite City precinct 18 polling place during the morning. He said he objected but "the worker got all over me and wouldn't do anything about it."

The same complainant said he later drove by the polling place of Granite City precinct 10 and that workers were passing out campaign literature in the entrance to the polling place.

A voting machine malfunction also was reported at Granite City precinct 32 early in the day.

Arrest 3 after disturbance on parking lot

Three Cahokia men were arrested after a disturbance in the parking lot of the A. O. Smith Corp. plant on Route 3 at 7:30 a.m. Wednesday.

A plant security guard alleged three men in a white station wagon said they were waiting for an employee to get off work. When employee Bobby Parr of Cahokia left the plant, he was beaten in the parking lot by one of the men. The three men then left, the guard said.

Police stopped a car matching the description given by the guard and arrested three occupants at 23rd Street and Missouri Avenue.

Roland P. McElligott, 25, was charged with battery and was released on bond. Richard Curtis, 22, was charged with illegal possession of cannabis after police allegedly found marijuana in the car. Curtis pleaded guilty and was sentenced to serve one year of probation.

The driver, Patrick McElligott, 21, was charged with illegal transportation of alcohol and with failure to have valid registration for his auto.

Illini parents meet Nov. 8

On Monday, Nov. 8, at 7:30 p.m., parents of students of the University of Illinois will meet at the Nameoki United Presbyterian Church, 1700 Pontoon Road.

This meeting will greatly benefit students and parents of students planning to enter the university next year," a spokesman said.

Purpose of the meeting is to get to know one another and to talk about the university and its students. Attending will be a panel of guests from the campus—students and staff—who will bring those present up to date with the happenings on the Champaign-Urbana campus.

Mr. and Mrs. Vernon C. Virgin of Lebanon also plan to attend and will share some of the experiences of their son, Craig, as an Illini trackman on campus and at the 1976 Olympics.

Mrs. Lucille Stehman of Collinsville is first vice-president of the Parents Association, and country chairwomen representing different areas of the county are Eileen Achenbach of Collinsville and Nona Corliss and Cathy Busch of Granite City.

Friendship hour tonight at mission

Everett Hopkins of Glen Carbon will speak tonight at 8 o'clock at the Gospel Mission, 2014 E. 20th St. A "friendship hour" and refreshments will follow the service at 8 o'clock.

Dr. George A. Rosenthal of Edgemont Bible Church will be the guest minister at 7 p.m. Sunday. Sunday school classes will start at 9 a.m. Mrs. Bethel Davis, mission superintendent, said.

The public is invited to attend all services at the non-denominational mission. Ample parking may be found at the rear of the building, Mrs. Davis said.

This last cowboy song, based in part upon the well-known ballad, was composed in 1959 for the black soprano, Doris Mayes, now of the Oberlin Conservatory. It earned an honorable mention in Vercelli

16 items of protest by union reviewed by GC School Board

By DONNA HARTWICK Press-Record Staff Writer

A review of the disagreement between Service Employees Local 98 and the Granite City Board of Education in relation to informational picketing conducted at the board office last week was presented to school board members Tuesday night by Superintendent of Schools B. J. Davis.

Barry Bruhn, attorney for Local 98, was present at the session to answer questions on 16 items of protest by Local 98.

In his statement to the board, Bruhn said, "We have broken down the items to two central issues (1) over an extended period of time there seems to be a lack of communication and (2) BIE day-the handling of personnel in cafeterias was not adequately handled by the administrators. Local 98 is not in agreement on the utilization of substitute employees."

The contention of the union was that the kitchens needed deep cleaning and this job can't be done when school is in session and the cafeteria workers need extra days when lunches are not being served to thoroughly clean the kitchen areas and equipment.

In response to this statement, Supt. Davis made a tour of the nine cafeteria kitchens the day after the meeting. He found schools were closed and found "the over all quality of the food is to the very good," he said.

Other points in dispute were referred to the policy committee which met Monday night to review the objections and will return a report to the board members and union officials.

Also present at the meeting were Donald Murphy, Local 98 business agent, and Jerry Webb, president of the local.

Larry Stone, a resident of Granite City, addressed the board members and requested a review be made of the continuous progress program in the elementary schools in relation to upgrading students when they achieve better grades and possibly are ready to advance to an upper level in a particular subject.

I believe that different schools within the system have varying opinions on student achievement and I think each school should follow the same pattern of evaluating the progress of the pupils," Stone added.

The board members approved new proposals developed during the 1976 summer curriculum workshop conducted by Owen E. Humphrey, curriculum coordinator, and a new concept in the industrial oriented occupational program under the direction of Robert F. Maxwell, director of industrial arts, vocational and career education.

The curriculum studies made during the summer included elementary physical education, high school social studies, business education, home

economics and industrial-oriented occupations.

According to Maxwell, the industrial curriculum is not planned to delete course content in the new program but is a reorganization of what is being offered and updating the courses to coincide with the requirements of the job market for graduates to seek employment.

In other board action, a leave of absence was denied to one Granite City School District employee for leave of absence to Mrs. Betty Yarbrough, a teacher at Lake School.

Board members also approved expulsion of two students at Granite City High School. One for the remainder of the school year and the other for the remainder of the semester for gross misbehavior at the school.

Tully A. Heubner, director of business affairs, was granted permission to publish the annual financial statement for the fiscal year ending June 30, 1976, at the November 10 meeting.

9, in the Press-Record in accordance with the School Code of Illinois, effective Dec. 1, 1975, at the request from the South Boosters Club to charge admission to soccer and baseball games and equipment.

Members following a legal opinion of the school attorney, W. Schooley, quoted revised statutes of Illinois law which states, the authority granted by the state to the Board of Education to maintain athletic fields and to pay the cost of maintaining the athletic field from the educational fund implies a duty to return funds received from the maintenance of athletic fields to the educational fund.

Chapter 102, Section 21, further places a duty upon the board and the administration to account for all funds which are being used to the district. To permit an organization not an integral part of the School District to collect funds which are legally those of the district and to maintain its own accounting of the funds would violate the laws of the state of Illinois.

A report by Donald Stucke, school treasurer, listed a cash balance on Sept. 30, of \$128,994 in the educational fund; \$13,917 in the transportation fund; \$3,169 in the ENRFF fund; \$102,419 in the building fund; bond and interest, \$8,318, and \$23,780 in the joint agreement fund.

The board approved bills in the amount of \$1,216 from the educational fund; \$1,020 tuition reimbursement from the educational fund; \$35,891 building fund; \$575 federal funds and \$292 from joint agreement fund.

Approval also was granted to pay \$193 to the Well Pump Co. for a replacement pump at Granite City High School and \$170 to the American Boiler Service for replacing a boiler tube at Wilson School.

Composers concert on Friday

Romance for Violin and Piano, composed by Phil Spence of Granite City, and performed by Alan Lieb, violinist, and Martin Bernat, pianist, also of Granite City, will be featured at the Campus Composers Concert on the campus of Southern Illinois University at Edwardsville Friday.

Assistant Professor Stephen Brown's Stowe Institute Award, Five Songs on Poems by James Joyce, will be premiered by members of the SIUE music faculty. Participating will be Sarah Turner, soprano; Janet Scott, flute; Joseph Pival, cello; David Ferguson, piano. Marie Scott, formerly of the Melbourne, Australia Symphony, will join them as violinist.

A second work of unusual interest will be an electronic composition, The Season of Storms, by Tod Rinker, a 1968 SIUE graduate in Theory-Composition.

Also to be performed are the following works: Illusions, string quartet by Ron Finn; Song for Soprano by Charles Hembree; Fugue, Hommage to Sebastian Bach by Camilla Zimmerman; Movement for Violoncello and Marimba by Ron Finn; Night Dreams by Piano by Camilla Zimmerman; Hommage to Ralph Vaughan Williams by Carl Simpson; Hommage 1976 and Git Along Little Doggie by James Woodard.

This last cowboy song, based in part upon the well-known ballad, was composed in 1959 for the black soprano, Doris Mayes, now of the Oberlin Conservatory. It earned an honorable mention in Vercelli

that same year and subsequently was transcribed for violin by Isidor Slavov, concertmaster of the Baltimore Symphony. The Slavov transcription will be performed by Marie Scott accompanied by James Woodard, the composer.

The concert will be in the Communications Building Theater tomorrow at 8:15 p.m. The concert is admission free.

Wakes to find men in kitchen

Robert Baker, 4706 Kirkpatrick Homes, was awakened while sleeping on the couch in his apartment early Wednesday morning when intruders turned on the kitchen light.

When Baker got off the couch, two men in his kitchen left through the rear door. He found the window in the rear door had been removed to gain entry. Nothing was taken.

Police talked to neighbors and obtained a description of a car which left the scene shortly after the incident and stopped a car matching that description at 4:45 a.m. Wednesday in Kirkpatrick Homes. Four men in the car were taken into custody for questioning.

One allegedly attempted to flee while being placed in a squad car and was charged with resisting arrest. No other charges were filed as the Madison County state's attorney's office said there was insufficient evidence.

Appeal to hit-run driver to surrender

Granite City police today are issuing an appeal for a driver to surrender himself. The person sought is the one whose car struck and killed a three and a half-year-old boy in the 2500 block of East 24th Street Oct. 8.

"We want to assure the driver that we really believe the accident was just that—an accident—and that we believe the motorist just got scared and left the scene."

"We intend to treat it as such and not as a criminal act, if we can get that driver's cooperation," Capt. William Condis, chief of Granite City detectives, said.

Richard Donald McCormick, 2548 E. 24th St., was fatally injured while crossing the street in front of his home the evening of Oct. 8.

There are four witnesses who viewed the accident and saw a powder blue Plymouth Duster speed away to Ridgedale Avenue, then turning toward Kirkpatrick Homes and disobeying stop signs before the witnesses lost sight of the vehicle in Kirkpatrick Homes.

The witnesses believe the car is a 1973 Duster and had old damage to the right side. The accident in which the boy was killed may have caused damage to the front of the car.

Anyone knowing of a car matching that description is being urged to contact Granite City police.

Officers also would like to question the driver of a white Chevrolet which was nearby and was nearly struck by the fleeing Duster.

We hope that driver will be able to tell us if the hit-and-run motorist was alone in the car, or

if there were passengers. His name would be kept confidential," Condis pledged.

"I have the hit-and-run driver's name on my desk now, but I don't know which one it is," Condis said as he pointed to a stack of computer cards.

He explained that the Illinois secretary of state's office compiled for the police a listing of every Duster registered in Madison County, "and we are checking them all, one at a time," Condis said.

"There is no question in my mind we will arrest the driver of the car and, if there were any passengers, we will arrest them also. The passengers can be charged with the same charges as the driver," he noted.

"I don't imagine the driver of that car is sleeping very well at night, knowing he struck a three-and-a-half-year-old boy and just left him there to bleed to death. We urge him to surrender himself and clear the record," Condis said.

He urged the driver to turn himself in within the next week, adding, "We do not intend, at this time, to ask for prosecution on involuntary manslaughter."

A possible charge might be leaving the scene of a fatal accident, and he also might be charged with obstructing justice. But the penalties may be far more severe if we have to check out every Duster in the county before we find him.

"We are going to find him. Our investigation is going non-stop right now, and we are going to find that car."

"If he sells it, that will make it much easier to identify him. And if we find the car who is the registered owner of a

Mrs. Grabowski dies at age 94

Mrs. Dionysia Grabowski, 94, of Dubois, Ill., mother of Francis Grabowski of Granite City, died Tuesday morning at the Washington County Hospital in Nashville, Ill.

She had been a patient at the hospital for two weeks.

Mrs. Grabowski was a lifelong resident of Dubois and was a member of St. Charles Catholic Church in Dubois.

Her husband, Joseph Grabowski, died in 1966. A daughter, Angelina and son Sylvester Grabowski, also preceded her in death.

Other survivors include three other sons, Michael Grabowski of Pinckneyville, Ill.; Ted Grabowski of Dubois and John Grabowski of Tamora, Ill.; one sister, Stella Rusiewski of Nashville, Ill.; nine grandchildren and seven great-grandchildren.

Funeral services will be held at 10 a.m. Friday at St. Charles Catholic Church. Burial will be in St. Charles Cemetery.

Boothman wins in area's only County Board race

Four incumbent Madison County Board members of Quad-City board districts whose posts were subject to election Tuesday won new four-year terms—three of them by default.

The only contested board election in this area in which Homer Boothman of State Park Place, incumbent Democratic board member of District 25, sought re-election, Boothman polled a two to one victory over his Republican opponent, Michael Nance.

Boothman tallied 1,178 votes to 512 for Nance in the four Nameoki Precincts and one Granite City precinct in District 25.

The vote was: Boothman 257

in Nameoki Precinct 2; 278 in Nameoki 4; 279 in Nameoki 7; 115 in Nameoki 10; and 249 in Granite City 12. Nance tallied 52 votes in Nameoki 2; 137 in Nameoki 4; 201 in Nameoki 7; 34 in Nameoki 10 and 88 in Granite City 12.

Three other Quad-City board members winning re-election without opposition, all Democrats, were Herbert Milton of District 22 in Granite City, Jay D. Maurer of District 23 in Venice and Granite City, and Arthur Cooper Moore in District 24 of Venice and Granite City.

Milton polled a total of 1,590 in the seven Granite City precincts of his district, as follows: 273, p.d.; 166, p.t.; 507, p.t.; 224, p.t.; 315, p.t.; 8, 256, p.t. 15, and 149, p.t. 25.

Maurer, whose district includes six precincts in Venice and three in Granite City, polled a total of 2,440 votes. The vote was: 196 in GC p.t. 9, 284 in GC p.t. 10, 207 in GC p.t. 29, 357 in

made up of five Venice precincts and three Granite City precincts. His vote was: 277 in Venice 3, 386 in Venice 6, 362 in Venice 7, 470 in Venice 8, 431 in Venice 9, 121 in GC 1, 81 in GC 2 and 173 in GC 3.

Elections were held county-wide in 15 of the county's 29 board districts. Board members are elected to four-year terms with elections held each two years.

Two injured

The autos of Robin Schrock, 2022 Marshall Ave., and Patti Wallis, 3945 Village Lane, collided at Madison Avenue and Nameoki Road early this week, resulting in injuries to two persons.

Miss Wallis, 22, was taken by ambulance to St. Elizabeth Hospital where she was admitted for observation of a head injury.

Mrs. Claudia DeLong, 30, Mount Olive, a passenger in Robin Schrock's auto, also was taken by ambulance to the hospital with injuries to both knees and a possible head injury, but left after examination.

Robin Schrock was charged with disobeying a traffic signal.

Class treasurer

Christina Phillip, daughter of Mr. and Mrs. John Phillip, 3201 Franklin Ave., has been elected treasurer of the junior class for the 1976-77 academic year at Illinois College, Jacksonville.

She is majoring in biology. She is a member of the women's intercollegiate volleyball team. She graduated from Granite South High School in 1974.

Illinois College is a private liberal arts school founded in 1829, the first college in the state to graduate a class.

Cyclist hurt

Thomas Richard Odum, 20, of 2500 Lincoln Ave., was injured when his motorcycle and the auto of Richard Grizzard, 223 E. 23rd St., collided at East 23rd and August streets at 6:20 p.m. Monday.

Odum was taken by ambulance to St. Elizabeth Hospital where he was treated for head injuries and abrasions to his right lower leg. A cut to his head was sutured, a neck brace was applied and he was transferred to Firmin Desloge Hospital, St. Louis.

SCHERMER'S FEATURE HEARTLAND NATURELE BEEF

Just What Is Heartland Naturele Beef?

HEARTLAND NATURELE BEEF is sold exclusively at Schermers Brothers. This beef is the product of young meat type animals raised in the "heartland" of America. It is called "NATURELE" beef because it is raised on natural forage. It is not "force-fed" with vitamins, chemicals, or sophisticated feeds containing so called "supplements." It is tender and lean. Since it was "grown" naturally, as nature intended it, you find a minimum of fat not only in the meat itself (sometimes referred to as "marbling") but on the outside or "cover" as it is referred to, you find just enough fat for cooking purposes.

In addition, HEARTLAND NATURELE BEEF tastes good. You get the real natural beef flavor. Since this beef is raised on natural feed, you don't have to worry about strange tastes caused by unnatural food supplements.

Reading progress but metric stumps students

The first year of Illinois Inventory of Educational Progress testing shows many good results, but many needs for improvement. State Superintendent of Education Joseph M. Cronin said this week.

The testing program, conducted by the Illinois Office of Education, sampled the skills of about 7,500 children in grades four, eight and 11 in 224 schools around Illinois this spring.

It was the first step in measuring achievement in a number of "educationally

important" programs in Illinois elementary and secondary schools.

IIEP tests given in 1976 covered reading and mathematics. Subsequent testing will include science, social studies, writing and other subjects — repeated in a cycle.

"A typical Illinois fourth grader who was tested could read and understand direction or warning signs (pedestrians use crosswalk; inside this cage is an extremely ferocious animal), read and draw inferences from a simple story about a boat trip, count by 10s, compare numbers and decide which is larger, draw a triangle, and do basic addition, subtraction and multiplication problems," Cronin said.

"Between 70 per cent and 90 per cent of all fourth graders tested could complete these tasks."

"But long division problems, fractions and metric problems seemed to 'stump' more than half of the fourth graders tested," he continued.

"Between 80 per cent and 90 per cent of all eighth graders tested could read can labels, giving contents and use directions; read warning signs; find program times in a television guide; and determine the correct sign to use in a mathematical expression on two-thirds of the questions," Cronin continued.

"But only 25 per cent of the eighth graders could figure 45 per cent of 180. And while 73 per cent could figure how much money a babysitter would make working several different days for varying amounts of time each day at 75 cents an hour, only 20 per cent could compute the amount of sales a salesperson would need to make \$60 at a commission rate of 20 per cent."

For eleventh graders, test results showed that 83 per cent could read and understand a can label and 98 per cent could do the same on the warning signs. 70 per cent could read and infer correctly ideas from a short story about nature, but only about 40 per cent could do the same when reading a poem by Shakespeare.

"Yet between 93 per cent and 96 per cent could look at a road map and answer correctly all four questions about it," Cronin pointed out. "A vital skill in this age of automotive travel."

"In math, eleventh graders did poorly on metrics," he said. "Only 10 per cent could answer correctly. How many centimeters are in one meter?"

"While 94 per cent could figure the lowest price for oranges for a variety of choices (6 for 79 cents, 15 cents each, 3 for 49 cents, 12 for \$1.19), only 40 per cent could answer correctly the problem involving a sales commission."

"The tests were meant to help us describe where we are in Illinois education. They test what groups of students know and can do," Cronin said.

"Now we need to follow up with analyses of results, offers of local assistance where

needed, and reinforcement of the programs that are working well."

"For example, Illinois has participated in the Right to Read program, and some of the reading results we see may point to the need to strengthen other reading programs," Cronin noted.

"Nationally, recent results of the National Assessment of Educational Progress seem to show that intensive reading programs at the elementary level can help."

"The picture on metrics is dismal," Cronin concludes. "The State Board of Education has recognized that this is an area that needs major work."

"This year, the Illinois Office of Education gave training workshops for 80 trainers of teachers in the metrics; hundreds of metric workshops more will be provided for classroom teachers in the next 12 months and we will ask universities to stress metrics in teacher training."

Cronin cautioned, however, that test results do not and cannot show a direct cause-and-effect relationship, and none should be inferred.

"These tests are a starting place to help us to understand at the state level what schools may need from us."

"They are only one set of tools in the scholastic tool-box for school districts to measure children's achievement," he said.

The test items are exercises used in IIEP are available to any local school district along with instructions on how to conduct them.

"We will share the state office testing expertise with schools throughout Illinois," Cronin said. "Some schools not already tested have requested the exercise booklets and tape instructions."

"Later, we will work directly with some larger districts on suitable testing to establish performance requirements for high school graduation or other local purposes."

The Illinois Inventory of Educational Progress evolved through a series of public hearings on education began in 1971.

Awakes to find man in house

A man in Halloween makeup entered the home of Geraldine Baker, 300 Kirkpatrick Homes, and awakened her Monday.

She said she was sleeping on the couch when the man touched her hip and she woke to find a man standing over her with circles painted around his eyes and two A's painted on his forehead.

She said the man asked her where several persons were, and she said she did not know them. Her son arrived and got the man to leave, she told police.

FIRST TOOTSIE ROLL in the Knights of Columbus' candy sale drive to aid local mentally retarded citizens of all ages is purchased by Granite City Mayor Paul Schuler. Second from right, from Jesse Becerra, project chairman. The sale will take place Friday and Saturday. At left is Grand Knight A. L. "Pete" Metcalf of Tri-Cities Council 1098. Dr. John Vasiloff, state coordinator of charities for the Illinois Knights of Columbus, is at right.

Knights of Columbus sale to aid retarded

Knights of Columbus Days for the Retarded have been designated as Friday and Saturday in Granite City by Mayor Paul Schuler, who issued a proclamation this week.

To aid local mentally retarded citizens of all ages levels, the Tri-Cities Knights of Columbus Council 1098 will sponsor a "Tootsie Roll" candy sale Friday and Saturday.

All proceeds from the project will remain in the Quad-City area to help mentally retarded citizens. Jesse Becerra, program chairman for the council's candy sale, said today.

He is being assisted by Grand Knight A. L. "Pete" Metcalf as co-chairman.

A goal of \$5,000 has been established for the campaign in the Quad-Cities.

The local efforts are being coordinated with a statewide drive by the Illinois Knights of Columbus. Dr. John Vasiloff of Granite City is state coordinator of charities.

Becerra said the Tootsie Roll candies will not be sold directly, but offered for a free will donation of any amount. "We hope everyone will be generous and help us achieve the \$5,000 needed to help those less fortunate."

The proclamation issued by Mayor Schuler reads in part: "Whereas, treatment and care of the mentally retarded has been a special project for assistance by the Illinois State Council of the Knights of Columbus; and

"Whereas, for the past five years the state and local councils of the Knights have conducted an annual Tootsie Roll Campaign in the Communities of Illinois, with proceeds of the endeavor donated to not-for-profit agencies serving retarded children and adults; and

"Whereas, the Illinois sponsorship of this humanitarian cause has motivated 30 other states to activate similar campaigns, providing much needed help to the afflicted;

"Now, Therefore, I, Paul Schuler, Mayor of the City of

Granite City, do hereby proclaim Nov. 5 and 6, 1976, to be Knights of Columbus Days for the Retarded and urge all citizens to take cognizance for the special events arranged for this time."

Volunteers to distribute the candy still are needed and may contact Becerra or Metcalf for further information.

Two injured in beating

Two men were admitted to St. Elizabeth Hospital Monday with injuries received when they were allegedly beaten by three occupants of an auto which forced their auto off the road at Route 203 and Maryville Road.

Steve Fraley, 20, of Chesterfield, Mo., and Russell Sturgis, 20, of Hazelwood, Mo., said they had been in Rico's II on Nameoki Road and were following three women toward St. Louis when a light green station wagon forced their auto off the road.

Fraley and Sturgis said they got out of their auto and upon approaching the station wagon were beaten with beer bottles. Fraley suffered a swollen and possible fractured nose, and Sturgis pains to his left eye. Both men said they were also kicked.

SECURITY TRAINING FOR AIRMAN HOFFMAN

Airman Mark A. Hoffman, son of Mr. and Mrs. Clarence A. Hoffman, 2800 Harding Blvd., Granite City, has graduated at Lackland Air Force Base, Tex. from Air Force basic training.

The airman, who studied the Air Force mission, organization and customs and received special instruction in human relations, is remaining at Lackland for specialized training in the security police field. Airman Hoffman is a 1976 graduate of Granite City High School South.

A Long Distance phone call that costs you one dollar during the daytime...

costs just 65¢ in the evening after 5 p.m....

and only 40¢ on the weekend before 5 p.m. Sunday.

Surprising how you can cut the cost of Long Distance to any other state in the U.S. by dialing direct during bargain calling times. For instance, you save more than

one-third when you call after 5 p.m. on weekdays. And more than one-half on the weekend—anytime Saturday or before 5 p.m. Sunday. Isn't that worth waiting for?

Discounts apply to total charges on Direct-Dial calls, but only to additional minute charges on Operator-assisted calls. Direct-Dial rates do not apply to coin, hotel/guest, hospital patient, credit card/collection or person-to-person calls, or to calls charged to another number, because an Operator must be involved with such calls. They do apply to calls placed with an Operator from a residence or business phone where Direct-Dial facilities are not available. Discounts to Alaska and Hawaii are one-quarter off after 5 p.m. on weekdays and one-half off on the weekend—anytime Saturday or before 5 p.m. Sunday.

Southern Builders earn safety award

The Southern Illinois Builders Association has received the 1976 National Safety Council Association Safety Award for distinguished service in promoting the efficiency and effectiveness of safety programs for its contractor members.

This is the third consecutive year SIBA has won this award. SIBA is one of only 12 associations in the United States to receive the award this year.

Southern Illinois Builders Association represents 600 contractors performing building, heavy and highway construction in Southern Illinois, including the Quad-City area.

SIBA, through its Safety Committee, has presented comprehensive safety training programs which are most effective and at the same time provides a means of measurement as to the effectiveness of their safety program. Most training programs are held during the winter months when construction work is slack, thereby affording supervision and hourly employees the opportunity to attend.

The programs are developed with a specific objective in mind — that the results of education is action. For example, apprentice instructors of the carpenters, ironworkers, cement masons and operating engineers apprentice programs attended a two day course so that they would become familiar with the association's safety program and material available, officials said.

They then were able to assist the SIBA Safety Committee in development of safety training for their particular craft. Thus, safe work practices are taught as an integral part of an apprentice's training.

Other programs that have been offered and are available upon request from the association include: scaffolding; earth moving equipment; what to do when having an inspection; trenching; eye protection; reduced cost through safety; first aid; recordkeeping; and the OSHA 10-hour construction safety course.

Just as important as service to members, the association strives to keep staff updated on the latest techniques in loss prevention, it was explained. Leonard Boyer, staff member assigned to safety, attended a three-day school offered by Employers Insurance of

WAUSAU in Kansas City in May 1975.

Boyer also attends the NSC Congress each year and is on the ANSI A-14 Committee for Ladders. Boyer also has completed the International Safety Academy's Total Loss Control course. In addition, Committee members serve on various national and local committees.

A Safety Guidelines Manual was published by the Accident Prevention Committee and distributed to all members. This manual was developed to assist contractors in the development of an effective accident prevention program. The manual includes: a company safety program; inspection checklist; tool box talks; OSHA and Illinois report forms; hospital directory; and a copy of the OSHA Standards for Construction.

With the publication of the Safety Guidelines Manual the Southern Illinois Builders Association has taken a major step to augment its safety program, it was reported. The first 900 copies have been

distributed and the Association Safety Committee is in the process of updating and printing 500 additional copies. A compliment was paid to the association's safety efforts when the Kansas Builders used the Guidelines Manual as a basis for their manual. SIBA continues to communicate and trade information with other associations both within and from without the construction industry.

A practical guide for contractors and job superintendents called "What To Do When The OSHA Inspector Knocks" also was distributed to all members. This guide is intended to assist jobsite representatives to be certain that contractor's rights and interests as an employer are protected under OSHA.

Safety films and slide-tape construction safety series for the Zero Accident program are available for safety meetings and tool box talks on the job. These programs are an integral part of the association's program to assist every member with his safety efforts.

Over 2,900 construction workers have received first aid training through the association. The multimedia films on first aid training are being used in all apprentice training programs. The association cooperates with Boy Scouts, YMCA and schools to make first aid training available to them. The association provides the films, projectors and material for most Red Cross first aid courses in Southern Illinois.

The association has noted to the members that the employers own insurance company is always available and eager to assist them in detecting and abating hazards and establishing a safety program.

The insurer can be readily reached for immediate assistance for quick answers to problems that may arise. This has a further beneficial effect of creating better relationship between insurance companies and the insured. Insurers are interested in furthering the safety movement which they actively have promoted over the years.

Safety information and developments are regularly communicated to members bi-monthly through the Safety First bulletins. Bulletins cover current safety activities, a review of our accident statistics, OSHA Standards and proposed rule-making applicable to the construction industry.

Venture Food Stores become Schnuck markets

Donald O. Schnuck, president of Schnuck Markets, Inc., has announced that the Venture Food Stores in the Metropolitan area will be identified as Schnuck's supermarkets.

Commenting on the conversion, Schnuck said, "We are converting our Venture Food Stores to Schnuck's supermarkets because this will afford us the opportunity to expand our customer service and to afford the former Venture food stores the full advantages of our Schnuck merchandising and advertising strength."

By bringing all of the supermarkets under the one Schnuck name we will be able to operate more efficiently. By increasing our efficiency we hope to eliminate duplicate costs thereby putting us in an even stronger competitive position than before."

A major advantage to the customer will be the addition of the Nancy Anne bakery products in the bakery section. Nancy Anne bakery items are baked fresh daily. More than 100 varieties of breads, rolls, pastries, doughnuts, and dessert items will be available. Consumers will have the

advantage of the Schnuck's "Courtesy Centers" which will be opened in each Venture store. The "Courtesy Center" offers expanded customer services such as check cashing, film developing, and utility bill payments.

The Venture supermarkets will participate fully in the Schnuck's radio, television, and newspaper advertising program, as well as major promotional programs such as the annual Oktoberfest, he said.

Schnuck added, "Employees now working in our Venture Food Stores were overjoyed at the change and undoubtedly recognize the added opportunity for sales growth and personal growth which our new program will afford."

Edwin Walcher Jr. retires at AMSTED

Edwin Walcher Jr., corporate vice-president of AMSTED Industries, retired Sunday after 39 years of service with the company. He will continue as a member of the board of directors.

Walcher was elected a corporate vice-president in 1964, and has been president of the American Steel Foundries (ASF), Macwharty and Burgess-Norton divisions of AMSTED. After graduation from Purdue University with an engineering degree, Walcher joined ASF in 1937 as a facilities engineer. He became an assistant vice-president in 1942, vice-president in 1948 and ASF president in 1964.

A second generation employee of ASF, Walcher's father and an uncle, were both works managers at Granite City. Another uncle was an operating vice-president for ASF.

The retiring corporate vice-president grew up in St. Louis and worked in the Granite City plant during the summers of 1924-27. Later, as an ASF vice-president, Walcher was responsible for manufacturing in all ASF plants, including Granite City.

Activities in which he has been involved during his long career include manufacturing and labor negotiations. During the Korean War, he was responsible for operating ASF's East Chicago, Indiana, plant to produce armor castings for U.S. Army tanks.

"As I look back 39 years, I am particularly gratified that I

U.S. oil pipeline to this and 10 other states urged

By LESTER BELL
Press-Record
Washington Bureau

President Ford and Congress agree that it is vital to the 11 northern tier states to receive surplus Alaskan crude oil via an all-American pipeline as soon as possible, says the president of such a \$1.2 billion proposal. E. Michael Curran, president of Northern Tier Pipeline Co., Billings, Mont., interpreted President Ford's signing of the Alaska Natural Gas Transportation Act of 1976 as an endorsement by both the executive and legislative branches.

The bill signed in late October includes a provision, Section 18, directing the President to report to Congress within six months the "special expediting procedures necessary to insure the equitable allocation of North Slope oil to the northern tier states of Washington, Oregon, Idaho, Montana, North Dakota, Minnesota, Michigan, Wisconsin, Illinois, Indiana and Ohio."

The new act also requires him to identify any legal restraints that could "inhibit the expeditious construction of such a system" in the lower 48 states. It also directs "all federal officers and agencies" to consider all applications and requests without delay.

"This is the first clear indication that the President and Congress recognize the critical economic problems the northern tier states will face unless a crude oil delivery system is constructed to serve them directly," Curran told a news conference.

He said the act reflects the lack of a U.S. pipeline to serve all refineries in the northern tier.

Curran provided a table showing northern tier refineries capable of receiving crude oil via the pipeline and its connections.

Nine in Illinois have a total rated capacity of 1,170,000 barrels a day: Amoco Oil Co., Wood River, 165,000; Clark Oil & Refining, Blue Island, 70,000; Marathon Oil Co., Joliet, 175,000; Shell Oil Co., Wood River, 283,000; Texaco, Inc., Lawrenceville, 84,000; Texaco, Inc., Lockport, 72,000; Union Oil Co., Lemont, 150,000. His table showed that "interest in Alaskan crude oil" has been indicated by: Blue Island, 30,000; Hartford, 20,000; Robinson, 115,000; Joliet, 15,000; and Lemont, 20,000.

Curran, 58, a veteran of 31 years in the pipeline industry, said the proposed 1,500-mile northern tier pipeline could be built between the deep-water terminal at Port Angeles, Wash., to Clearbrook, Minn., in two construction seasons at a cost of \$1.2 billion.

The initial capacity would be 600,000 barrels a day to Clearbrook, with provisions to expand to 800,000 barrels. He described the pipeline as "the most feasible, economical and embargo-proof means" of delivering the oil to the northern tier.

He said those states need oil the most because Canada has reduced its supply sharply since 1973 and plans to discontinue it altogether after 1981.

Curran said the northern tier needs an all-American system because, in his opinion, "we do not believe that Alaskan or domestic crude oil supply for

millions of Americans in the lower 48 states should be under the control of a foreign power if it can be avoided."

Northern Tier Pipeline Co. was incorporated by seven firms with "substantial equities" in the transportation of crude oil, Curran pointed out. They are: Glacier Part Co., a subsidiary of Burlington Northern, Inc.; Milwaukee Land Co., a subsidiary of Chicago, Milwaukee, St. Paul and Pacific Railroad; Curran Oil Co., Great Falls, Mont.; Butler Associates, Inc., Tulsa, Okla.; Patrick J. McDonough, Billings, Western Crude Oil, Inc., Denver; and Mapco, Inc., Tulsa.

Prison terms for two men

Johnny Lee "Plank" Lucas, 36, of 1126 Douglas St., Venice, has been sentenced to serve two to six years in prison for burglary.

Lucas and another man allegedly burglarized the home of Mrs. Catherine Hildebrand, 448 Lincoln Ave., Venice, May 5, and were arrested after police saw their auto leaving the area of that home. Lucas pleaded guilty and sentence was pronounced by Circuit Judge William Beatty.

Judge Beatty also accepted a plea from Dennis Dunnivant, 2009 Troy Ave., Madison, who pleaded guilty to violating the terms of his parole. Dunnivant was ordered to serve a one to three year prison sentence previously imposed for burglary.

Soybean plots harvested

By STAN HENDERSON
and RON HINES
Extension Farm Advisers

The 1976 double crop soybean variety plots were harvested on Oct. 22. The plots were located on the Don and Harriet Bunselmeyer farm in Nameoki township.

Bob Bunselmeyer did the harvesting and reported that the 1976 plot yields averaged about 70 per cent less than the 1975 plots. Bob said that "this year's severe dry weather allowed the soybeans to develop to only one-third to one-half of their normal size in the pods. The yields on the plots in bushels per acre were as follows: Bonus, 12.8 bushels; Clark 62, 10.1 bu.; Wayne, 9.4 bu.; Williams, 9.0 bu.; Calland, 7.9 bu.; Wells, 6.3 bu.; Cutler 71, 5.8 bu.; Kent, 4.5 bu.; and Woodworth, 4.3 bu.

A full summary of the yields, height of plants at harvest, and other data may be obtained by

contacting the Madison County Cooperative Extension Service office at 656-7220.

As the Madison County harvest continues and grain goes into storage, management becomes an important consideration.

With the present prices being paid for grain it is more important than ever to store every bushel. This means that Madison County farmers should take precautionary measures to insure that their stored grain remains high quality. It is a good practice to test aside some time each week to check bins for mold, spoilage or heating.

"Drying Grain in Illinois," Circular 1109, is available upon request from the Madison County Cooperative Extension Service office. This circular is designed to help answer farmers' questions about grain drying.

Start effort to cut autos' air pollution

Added training under GI Bill

The East-West Gateway Coordinating Council last week authorized its staff to initiate a program aimed at improving air quality in the St. Louis area.

Nelson Hagnauer of Granite City, chairman of the Gateway board, pointed out that the board's action was in response to a request by the U.S. Environmental Protection Agency (EPA) for the Gateway Council to perform work tasks related to improving the region's air quality.

The tasks will include informing the public of suggestions contained in the Air Conservation Commission's transportation control plan.

This plan is designed to meet EPA requirements and relies on voluntary action at the local level to reduce concentration of certain automobile pollutants.

The Gateway program will attempt to deal with air pollution at the St. Louis area level, seeking maximum public involvement and minimum costs.

Specifically, the program calls for the following actions:

1. A vigorous public education program aimed at elected officials, citizen groups and the general public. The program is to incorporate such devices as presentations, newsletters, brochures, news releases, workshops and seminars.
2. The development of transportation strategies aimed at reducing air pollution. These are to include promoting car-pools, vanpools and transit usage, as well as initiating actions aimed at improving traffic flow.

Dennis Asbeck in Navy operation

Navy Ship's Serviceman Third Class Dennis R. Asbeck, son of Mr. and Mrs. Ralph F. Asbeck of 71 Holiday Mobile Park, and whose wife Charlayne is the daughter of Mr. and Mrs. William Brown of 2007 Warren Ave., all of Granite City, is participating in Exercise "Kangaroo II," the largest peacetime training operation ever held in Australia.

He is a crewmember aboard the aircraft carrier USS Enterprise, homeported at Alameda, Calif.

He is one of more than 32,000 sailors, Marines, soldiers and airmen from the U.S., Australia and New Zealand (ANZUS) taking part in the three-week exercise. The training exercise, involving more than 40 ships and nearly 250 aircraft, is designed to test and evaluate plans for combined ANZUS operations in a simulated combat environment.

"Kangaroo II" is being conducted in the Tasman and Coral Seas and along the eastern Australian coast. It centers on a major amphibious landing by U.S. forces and a subsequent link-up of the assault units with Australian and New Zealand ground forces for follow on, combined land operations.

A 1974 graduate of Lewis and Clark Community College, Godfrey, he joined the Navy in September 1974.

Veterans enrolled in GI Bill training are eligible for up to an additional nine months training.

Donald R. Ramsey, director of the Chicago Veterans Administration regional office, said this week.

The Veterans Education and Employment Assistance Act of 1976, signed into law by President Ford Oct. 15, increased the training entitlement for thousands of veterans who have not reached their 10-year delimiting date, Ramsey said.

Effective Oct. 1, 1976, the law extended entitlement to 45 months for veterans if they have served at least 18 months on continuous active duty after Jan. 31, 1965.

Previously, basic entitlement was 36 months. An additional nine months was available only if the GI Bill student was pursuing an undergraduate college degree.

Unchanged is the 10-year delimiting date. Veterans retain eligibility for 10 years after release from active duty or until Dec. 31, 1989, whichever is earlier, Ramsey explained.

County Appeals Board hearings

The Madison County Zoning Board of Appeals will hold on-site public hearings at two locations Monday, Nov. 8.

The first hearing will be at 9:10 a.m. on East Chain of Rocks Road in Paradise Acres, Mitchell, where Royce Realty and Earl Dowdy are requesting a special use permit to place a mobile home for up to five years, until a permanent home can be constructed.

The property is in an R-2 single family residential district of Chouteau Township.

The second hearing will be at 9:35 a.m. Monday at 3210 Princeton Drive, State Park Place, an R-4 single-family residential district, where Jerry Stovall is requesting a special use permit to place a mobile home for up to five years. A large number (46.8 per cent), however, mentioned lack of familiarity with routes and schedules, and only 17.1 per cent felt that buses could serve

Public has mixed feelings on transportation needs

Who needs public transportation?

According to a recent telephone survey conducted by the East-West Gateway Coordinating Council, everyone.

Almost half (49.7 per cent) of the area residents who were interviewed felt that public transportation was necessary in the community, and over 56 per cent felt that it was needed by all citizens, not just poor people.

Nearly half of the 1,000 interviewees saw economic advantages in riding the bus as opposed to driving individual cars, and about one-third were amenable to reserving highway lanes for bus use.

A large number (46.8 per cent), however, mentioned lack of familiarity with routes and schedules, and only 17.1 per cent felt that buses could serve most of their transportation needs.

As part of a listing of trips made on a specific day, respondents were asked, after each trip listed, whether they would have used transit on that trip if it were available within a five-minute walking distance. Nearly one-fourth (24.4 per cent) said that they would.

Only 10.8 per cent of the families do not currently have transportation for all the trips they wish to make, but planners wondered about the future. Respondents were, therefore, asked whether they expected gasoline costs and scarcity to increase their family's demand for public transportation.

This was the question upon which there was the greatest range of answers—30 per cent predicted increases, 26 per cent predicted no increase, and the remainder (44 per cent) responded with neutral answers.

Results of the telephone survey of 1,041 households selected at random from St. Louis region residents reveal that the typical family agrees with the following statements about transit:

"Mass transportation is necessary."

"Buses are more economical than driving a car."

"Public transportation is not intended primarily for poor people."

"All members of a typical family have transportation available for all the trips they wish to make."

"Buses cannot serve most of the family's transportation needs."

"Family members are not familiar with transit routes and fares."

"Public transportation would not enable the family to reduce the number of cars they own."

"Some lanes on streets and freeways should be reserved for buses."

The typical family is not certain whether gasoline cost and scarcity will increase the demand for public transportation.

SEWER REPLACEMENT in the 2000 block of Johnson Road is under way by the Granite City Street Department's newly established sewer division. Because of a low underground water table resulting from the summer-long drought, city workers are making a series of repairs of sanitary sewer lines, some of which have been broken for two or more years. Workers lower a section of pipe in reconstructing the broken Johnson Road line rather than repair it.

AMSTED net income at \$34.2 million

AMSTED Industries last week reported net income in the year ended Sept. 30, 1976, was slightly below last year's record high, but substantially above any year prior to 1975.

Net income was \$34,200,000, or \$3.28 per share, compared to \$34,500,000, or \$6.47 per share, a year ago.

Joseph B. Lanterman, chairman and Goff Smith, president, said "The 1975 figures reflect the \$3,040,000 loss, equal to 57 cents per share, on the disposal of the South Bend Lathe division. Earnings per share for both years reflect the two-for-one stock split which became effective Feb. 20, 1976."

Sales of \$498,500,000 in fiscal 1976 were \$200,000 below the record sales from continuing operations last year. General industrial product sales amounted to \$127,500,000, up \$15,800,000, or 14 per cent, reflecting the fact that sales of Hydramation Filter Co., acquired in the last fiscal quarter of 1975, were included for the 1975 fiscal year.

Sales of construction and building products amounted to \$135,800,000 which was an increase of \$13,500,000, or 11 per cent, due principally to the improved level of housing starts. Railroad product sales were \$234,800,000, down \$29,500,000, or 11 per cent, but exceeded any year prior to 1975.

The two executives noted that "The decrease in earnings resulting from reduced shipments of railroad products was only partially offset by improved profits from construction-related building products, principally water pipe, and from general industrial products."

"Net income for the year was favorably influenced by the substantial decline in the cost of metal scrap in the first half of the fiscal year as compared to a year ago. Scrap costs in the last six months of the fiscal year were about equal to those in the comparable period of fiscal 1975."

In March 1976, the quarterly dividend was increased 11 per cent to 50 cents per share, on a post stock split basis, up from the equivalent of 45 cents per share that was paid in June, September, and December of 1975.

This change resulted in a record dividend of \$1.95 per share in fiscal 1976, up 15 per cent from the equivalent of \$1.70 paid in fiscal 1975. Dividends totaling \$10,463,000 were paid to stockholders in 1976 compared to \$9,077,000 last year, Lanterman said.

Additions to property in fiscal 1976 were \$35,426,000. The largest expenditures were for the construction of a freight car wheel plant in Keokuk, Iowa, which should be completed in late 1977; a plant in West Chicago, Ill., for the production of non-metallic railroad brake shoes with an expected completion date in the second quarter of fiscal 1977; and construction of a new piston pin plant in Claremore, Okla., which is also expected to begin production in the second fiscal quarter of 1977.

Based on present plans, expenditures for property additions in the next two fiscal years, excluding acquisitions, are expected to total approximately \$70,000,000. In addition to the completion of the new plants already in progress, large capital expenditures will

be incurred for increased capacity at the steel wheel plants in Tranecon, Manitoba, and St. Hyacinthe, Quebec, and for the modernization of the metal coating line at the Chicago plant. Major expenditures are also planned to increase capacity for custom

extrusions at the Fairfield, Iowa, and Knoxville, Tenn., plastic plants.

Net current assets or working capital at Sept. 30, were up from the level a year ago. Accounts receivable and inventories were down by small amounts.

AMSTED had no debt at the end of the current or prior year. AMSTED's backlog of orders at Sept. 30 amounted to \$127,000,000 compared to \$121,000,000 a year earlier.

Orders for freight car components, although down com-

siderably from the level a year ago, continue to be the largest single element of the backlog. The backlog of general industrial products is down slightly from last year but has increased in the last six months.

Unfilled orders for construction and building products are moderately below a year ago and continue to represent the smallest portion of the backlog.

Lanterman and Smith noted that, "A continued improvement in the general

economy and an increase in housing starts in 1977 are anticipated. The shipments of railroad products are likely to trail 1976 in the first half of the fiscal year, but improvement is expected in the second half. The outlook is for another excellent year for AMSTED."

Award presentation Nov. 14

Slavic and East European Friends (SAEEF) of Southern Illinois University at Edwardsville have selected Ernest E. Tosovsky of Edwardsville as the recipient of their first Distinguished Service Award.

The award will be presented at a reception, dinner and dance in Tosovsky's honor, Sunday evening, Nov. 14 at the Knights of Columbus Hall, Highway 143, east of Edwardsville. The social hour will begin at 4 p.m., a buffet dinner will be served at 5 p.m., the award presentation will begin at 6 p.m., and dancing is scheduled from 7 to 10 p.m.

Tosovsky will be cited as a great American of Czechoslovakian culture, who has served this nation in a manner which is an inspiration to all people. An exemplary husband and father, a successful businessman, a humanitarian and a leader in many civic programs make him the unanimous choice for the first SAEEF Distinguished Service Award.

Participants in the award ceremony will include Ralph W. Ruffner, acting president of

SAEEF; Stanley A. Stinac, president of SAEEF; the Rev. Roger Simpson, pastor of St. Mary's Catholic Church; and Charles B. Schweizer, executive director of the SIUE Foundation.

Tosovsky was the recipient of the SIUE Distinguished Service award at commencement exercises in June, 1971. A native of Czechoslovakia, he came to the United States in 1903 and founded Home Nursery Greenhouses, Inc.

A leader in civic and community activities, he also has been prominent in regional, national and international service work through Rotary International. He is a past president of the Edwardsville Rotary Club, past-governor of Rotary International District 646 and has worked abroad as a volunteer for Rotary International World Service.

SAEEF sponsors a number of loan, endowment and honors activities through the SIUE Foundation, including the Adolph and Mary Zumer Slechta Endowment Fund, providing income for awards

to the American Studies Endowment Fund, providing income for improvement of the Slavic-American collection in the University Library; the Slavic and East European Friends Loan Fund; and the Irena Brzezinska Loan Fund, both providing loans for SIUE students of Slavic descent; and annual honors awards in East European and Russian history.

Persons interested in attending the dinner and program Nov. 14 may make reservations by sending names and checks payable to the SIUE Foundation at \$7.50 per person, to Mrs. M. J. Hill, 8 West Lochaven Court, Edwardsville.

CB MADNESS SALE

We've had some great sales on CB's in the past... but you've never seen anything like this!

PACE CB-133

The lowest price we've EVER been able to offer on a Pace CB radio! This 23-channel unit features special circuitry which automatically maintains a minimum of 85% modulation - no need to shout! The control panel features a fully variable squelch control, illuminated channel indicator, detachable mic, and an external speaker. Also, CMC has added a super-low price to make it a REAL bargain! Sug. Price \$129.95

PACE 143

A lot of CB radio for the money. With dual conversion circuitry, fully variable squelch control, illuminated channel indicator, and S/R meter. Plus you get that excellent Pace modulation to let your message really get out there across the miles. Sug. Price \$144.95

PACE 123A

A unit for really getting your message out across the miles, with a local instant switch for stabilizing both strong and weak signals. A PA/CB switch, an S/R meter for measuring signal strength, and of course, that built-in quality you expect from a Pace. Sug. Price \$169.95

PACE 2376B

Pace keeps annoying frequency noises to a minimum with a sophisticated 8-section low-pass filter network, and you can really hear the difference! And squelch control and a local instant switch provide even more clarity and selectivity to incoming signals. Sug. Price \$179.95

PACE CB-2300

Get the biggest bang for your buck with a Pace CB radio at a super-low price! Most of the functions are built-in, such as automatic gain control and automatic noise limiter - so you don't have to be bothered by a complicated control panel! The extremely sharp microphone is what you'd expect from a Pace - the modulation is excellent to carry your voice over the miles even in crowded city areas, and now you can save big with CMC's dynamic price! Sug. Price \$249.95

Hy-Gain I

A dynamic price for a CB radio which features a plug-in mike with its own built-in preamp to boost your voice 6 dB level! The Hy-Gain I also features volume and squelch controls, plus a 5 R/F signal strength meter, and CMC has added fantastic savings to make it a real bargain! Sug. Price \$139.95

Panasonic RJ-3100

Panasonic has been a leader in the electronics industry for over half a century and they make their CB radios with the same dependability and craftsmanship as any of their equipment. The 3100 has good range, excellent reception, plenty of features, and beautiful styling. Sug. Price \$149.95

SHARP CB-800

Off this great new model from Sharp. Squelch control, automatic noise limiter, variable squelch control and Delta Tune all provide the clearest, clearest reception possible. Other features include a PA/CB switch, detachable microphone, S/R meter, flashing channel 9 indicator, and an LED digital channel readout. Sug. Price \$149.95

Xtal XCB-7

Stylish for beauty and utmost utility. With Delta Tune, automatic noise limiter, PA/CB switch, variable squelch, large lighted S/R meter constantly measures incoming signal strength and transmitting output - and gracious styling that would look at home even in any car. Sug. Price \$189.95

Xtal CB-12

One of the few CB's that can monitor one channel while scanning any other channel at the same time! Plus, its ability to pick up distant signals is unsurpassed by any model we've seen. The control panel is full of the switches, controls and features you'll never need. Like Delta Tune, R/F gain, variable squelch, large lighted S/R meter, automatic noise limiter, a PA switch, and a volume control on the microphone. Plus, it looks just as good as it sounds. Sug. Price \$219.95

And with the purchase of any CB radio... any Anixter-Mark antenna, mount and cable combination is only \$15!

Announcing the small car
with the Accent on Comfort.

C'mon in and test drive the small car with comfort and more.

You won't believe how comfortable and smooth this car rides until you drive it yourself. Because of a special suspension, Volaré is one small car that has a ride like a big car.
Volaré even gives you lots of room to be comfortable. In fact, Volaré Sedan has more room than any other American compact in its class. And the same holds true for Volaré Wagon.
Stop in and see the good-looking '77 Volaré Coupe, Sedan and Wagon. You'll find the price on Volaré, whether you're buying or leasing, is pretty comfortable, too.

Price wins 17th term

Cong. Melvin Price, Democrat of East St. Louis who has held the office for 32 years, polled a resounding 128,122 votes in the 23rd Congressional District Tuesday to win his 17th consecutive term.

Cong. Price defeated Sam Drenovac of Chouteau Township who polled a total of 36,000 votes in the 32 townships of the 23rd District which includes 22

townships in St. Clair County and ten townships in Madison County. The four townships of the Quad-City area are within the 23rd district.

Price tallied a total of 51,170 votes in the 10 Madison County townships and 74,952 votes in St. Clair County, while Drenovac received a Madison County vote of 14,413 and a St. Clair County tally of 20,631 votes.

Of the 51,170 votes received by Price in the ten townships of his district in Madison County, 11,885 were tallied in Granite City, 4,008 in the 11 precincts of Nameoki Township, 3,835 in the 11 precincts of Venice Township

and 2,434 in the seven precincts of Chouteau Township, for a total of 22,160 in the Quad-City area.

The remaining 28,000 votes were polled by Price in the other six Madison County townships of the 23rd District—St. Jacob, Jarvis, Collinsville, Edwardsville, Fort Russell and Wood River.

Drenovac polled a total of 4,200 votes in the four townships of the Quad-City area, including 2,451 in Granite City, 897 in Nameoki Township, 249 in Venice Township and 503 in Chouteau Township.

Bubblemasters to honor top divers

Close to 150 scuba divers and their guests are expected to attend the 17th annual awards banquet of the Bubblemasters Scuba Diving Club of Granite City, scheduled Saturday evening at the Collinsville Holiday Inn.

The gala event incorporates the presentation of awards to outstanding divers and the election of 1977 officers.

A few reservations still remain for the banquet and may be secured through tonight by calling Larry Earney, Bubblemasters president, at 877-5966, or Paula Depew, at 877-3294.

Any person interested in skin and scuba diving, or the club's activities in prearranged and recovery time activities, is invited to attend, Earney said. During the cocktail hour, starting at 6 p.m., Saturday, club members will cast ballots for new officers. A smorgasbord dinner will be served at 7 o'clock and the awards program will commence at 8 p.m.

Music for dancing will be provided by "Blue Sunshine" of St. Louis from 9 p.m. until 1 a.m.

As is traditional in a local diving club election, each officer will be contested by the exception of financial secretary-treasurer, Earney advised. Ron Ruppel, who currently holds the office, again is unopposed, he said.

Seeking the office of president are Bob Burns and Phil Lamm.

Vice-presidential hopefuls are Kent Speers and Randy Viessman and candidates for recording secretary are Paula Speers and Sharon Earney.

The awards of the banquet will be announcement of the "Diver of the Year."

The award is the highest honor bestowed by the club upon an individual and is conferred for "outstanding contribution in all club activities." Earney explained the coveted award last year.

The current president received the award last year. Earney said the award is the top finishers in the diving season's "high point" trophy contest, in which divers accumulate points each month during official dives in spear-fishing events.

Earney said the first place trophy for the 1976 diving season will be presented to Rich Grizzard, who accumulated 150 points.

Edward Duffin with 128 points will receive the second place award and Phil Lamm with 120 points, the third place trophy.

Other divers in the top 10

finishers are Larry Earney, Wally Marzull, Kent Speers, Brian Earney, Randy Viessman, Eldon Depew and Jerry Davis. Forty-nine divers were in competition.

Representatives from several St. Louis area scuba diving clubs will attend the Bubblemasters' banquet, it was reported.

Madison grants use permit

The Madison City Council Tuesday night approved a special use permit for James W. Woodrome to obtain a liquor license at 1100 Greenwood St. on the recommendation of the Madison Zoning board.

The motion to approve the permit was made by Third Ward Alderman Ronald Graywack and seconded by Third Ward Alderman Ray Kozielek.

A letter from Richard Kacera, of the Kacera Distributing Co., 1350 Grand Ave., Madison, was referred by the council to the Zoning board for recommendation. Kacera wishes to build an addition to an existing warehouse.

The council passed an ordinance placing a traffic stop for eastbound travel on 12th Street at Iowa Street. The intersection was a three-way stop.

In Navy exercise

Navy Personnelman Seaman Apprentice Patrick J. Fleeson son of Mr. and Mrs. John H. Fleeson of 2316 Lynch Ave., participated in Exercise "Complex 1-77" as a crewmember aboard the replenishment oiler USS Kalamazoo, homeported in Mayport, Fla.

"Complex 1-77" was a two-week exercise conducted by the U.S. Second Fleet off the coast of northern Florida. The exercise was designed to provide training in surface, anti-submarine warfare and task group operations. Nine U.S. Navy ships, the Coast Guard cutter Gallatin and a German frigate, FGS Meisdorf, were part in the exercise.

The combined task group was under the tactical command of Rear Admiral Bruce Koener, USN, commander of the Second Fleet's Cruiser-Destroyer Group Two.

A 1974 graduate of Granite City High School, he joined the Navy in October 1975.

POLISH PEIROGI and other Polish dishes were featured at the 11th annual smorgasbord Sunday at the Sacred Heart Polish National Catholic Church, 930 Reynolds St., Madison. Over 750 people were served. The event was held at the church this week. Ladies of the church behind the

servicing line, from far background, are: Miss Tina Wyatt, Mrs. Juanita Modrusic, Mrs. Kathy Czornow, Mrs. Connie Simpson, partially hidden, Mrs. Jane Wyatt, and Mrs. Pauline Dubish. Mrs. Ann Bieneniecki was chairwoman of the dinner.

Vadalabene wins big while in hospital

After an impressive 47,670 to 17,372 victory Tuesday, State Senator Sam Vadalabene (D-56th District) called the Press-Record Wednesday from his St. Joseph Hospital bed in Highland Ave. to comment on the election.

Sen. Vadalabene is scheduled to be released from the hospital next week. He became ill several weeks prior to the election.

"It would be impossible for me to express my appreciation to all those who took up the battle for me at the time of my illness," Vadalabene said.

My victory Tuesday was more than a personal one. It shows many people of varying

opinions were able to come together. They showed their faith in the kind of public service involvement that I also want to express my appreciation to all those who voted for me. Their expression of confidence will inspire me to even greater efforts in behalf of the people in the 56th district in the years to come."

Vadalabene served four years as state representative prior to being elected senator in 1970.

"Proudly I have campaigned on the theme 'Sen. Sam stands for service.' The vote Tuesday

proved that in my district service stands tall.

"For my devoted wife, Mary, all of our family, friends and those who stood with me, I want to offer my deepest thanks to those who kept their faith by getting the voters to the polls."

"Last, but far from least, I also want to express my appreciation to all those who voted for me. Their expression of confidence will inspire me to even greater efforts in behalf of the people in the 56th district in the years to come."

"Proudly I have campaigned on the theme 'Sen. Sam stands for service.' The vote Tuesday

proved that in my district service stands tall.

"For my devoted wife, Mary, all of our family, friends and those who stood with me, I want to offer my deepest thanks to those who kept their faith by getting the voters to the polls."

OPENING STATEMENT DELINQUENT PERSONAL PROPERTY TAX LIST IN NAMEOKI, VENICE AND GRANITE CITY TOWNSHIPS

NON-PAYMENT OF PERSONAL PROPERTY TAXES

CHAPTER 120 OF THE
ILLINOIS REVISED
STATUTES 1969
PARAGRAPH 602
In counties of less than 500,000
inhabitants, the collector shall
annually publish a complete list
of the names of persons who are
delinquent in payment of
personal property tax and the
amount of the said unpaid
personal tax.

There is imposed on each
delinquent taxpayer named in
any list published pursuant to
this Section, a charge of \$1.00 to
be collected in the same manner
as the tax is collected as
reimbursement to the collector
for the cost of preparing the
published list.

One per cent penalty per
month will be added until paid.

Cash stolen check

A \$68 payroll check which was among items stolen last week from Mitchell Auto Mart in Mitchell, was cashed at the Granite City Moto Service Station, 17th Street and Madison Avenue, at 2:55 p.m. Wednesday.

A man 19 to 20 years of age, about 5 feet, 9 inches tall, and having very long blond hair cashed the check, an attendant recalled. He was with a young man of the same age having long brown hair and a girl, about 17, with black hair, in an old white van, police were told. The check was embossed with a check protector, also stolen from the Mitchell Auto Mart.

PHYSICS TEACHERS OF REGION WILL CONVE

Area physics teachers will meet this weekend at Parks College of St. Louis University for the second quarterly symposium of the Gateway Consortium for Physics. Professor Bela-Kang of the department of physics at Southern Illinois University at Edwardsville is director of the Consortium. The meeting Saturday from 9 a.m. to 4 p.m. will include a talk by Robert Walker, McDonnell chair of physics at Washington University. The Gateway Consortium is composed of members from 11 area colleges and universities.
